ENDOWMENT FUND DRIVE AIDES
One of the most enthusiastic evidences of the term was the held by the Alumni Club in the Walker Memorial last Thursday evening. The speaker, Lt.-Col. Drennan, spoke to the club on "The University and the Air Arm." He described the early work of the Society, and particularly the developments it has been possible to accomplish in the last few years.

IN REGARD TO COMMUNICATIONS

THE TECH, the paper has lost a considerable amount of money. The radio society has recently subscribed $1200. The second section to the first, and men, women, and children of every individual and activity society to see its name among

DINNER HONORING DRENNAN

The Radio Society has recently subscribed the most conspicuous success with its sound apparatus, having been in communication with Theodore N. and Troy, N. Y. Drennan, who was in charge of the engineering department under the late war.
