Overcoats and Usters

This is purely weather advice—but an overcoat bears the same relations to Usters that a roadster does to a limousine.

Now all of us can't afford such an overcoat as the latter—clothing does not come into play; but there are many of us who have our budgets cut into such a way that we can obtain one at a reasonable price. There are several firms in Boston who specialize in making such coats and will bring them to your home, if you so please. For a good overcoat, the best known is that by Mr. J. A. Darling of 500 Washington Street, Boston.
