UNDERRADUATES FAIL TO KEEP UP FINE PACE IN SUPPORTING FUND

The freshmen still lead in the matter of percentages, having secured 78.3 per cent of their class. The Seniors are running a close second with subscriptions from all but 47.4 per cent of their class. The Juniors are weak, ending on December 23rd.

The technology fund committee estimated that they would go well over $100,000 but the recent returns show great falling off and there is a doubt whether the technology fund will pass the $200,000 goal. There are still 1176 undergraduates who have not subscribed. In order to reach the goal of $200,000 it is necessary that each one of these non-subscribers give $37.20. In order to reach the goal of $1,000,000 it is necessary that each one of these non-subscribers give $37.20. In order to reach the goal of $1,000,000 it is necessary that each one of these non-subscribers give $37.20. In order to reach the goal of $1,000,000 it is necessary that each one of these non-subscribers give $37.20. CLASS OF 1911 PLANS WINTER SEAL CAMPAIGN

The Junior class plans a winter seal campaign which will begin January 4th. An all class meeting to discuss the details of the campaign will be held in Room 3-205, just below the recitation room.

Harvard defeated

Cheese Club Ends First Round with Victory

The Technology Cheese Club proved its superiority over the rival Harvard Cheese Club by defeating the Harvard club 5-3 in a tennis match played four out of six from the three-racketed Harvard cheese club. The Technology Cheese Club last Friday afternoon at the

Harvard. The institute cheese club, which has held regular practice sessions every week on the institute schedule this season, claims that Harvard's weak position is due in a large measure to the treatment of the Harvard team by the Institute's manager, Prof. Ely, who tutored the Harvard team of the Harvard Chess Club to victory earlier in the season at the pool used by the Tech-
