JUNIOR WEEK SANCTIONED BY FACULTY

At the meeting of the Faculty on Wednesday, December 17, the following resolutions were adopted:

1. That the Faculty, recognizing the value to student life of the activities referred to in the petition of the Institute Committee and being desirous of encouraging these activities in such ways as may best conform to the educational policy of the Institute, and being convinced that it is of the public interest to promote such activities, has voted to approve these resolutions.

2. That the President be requested to appoint a committee consisting of five members of the Faculty, not including the President, to consider the Junior Week activities as given during the present academic year and to report to the Faculty at its next meeting.

3. That the President be authorized to make such arrangements as may be necessary for the conduct of the proposed committee and to require the cooperation of the Deans and the Alumni Association in making arrangements to hold these activities in the March vacation during the present academic year.

4. That the President be authorized to make such arrangements as may be necessary for the conduct of the proposed committee and to require the cooperation of the Deans and the Alumni Association in making arrangements to hold these activities in the March vacation during the present academic year.

5. That the President be authorized to make such arrangements as may be necessary for the conduct of the proposed committee and to require the cooperation of the Deans and the Alumni Association in making arrangements to hold these activities in the March vacation during the present academic year.

6. That the President be authorized to make such arrangements as may be necessary for the conduct of the proposed committee and to require the cooperation of the Deans and the Alumni Association in making arrangements to hold these activities in the March vacation during the present academic year.

7. That the President be authorized to make such arrangements as may be necessary for the conduct of the proposed committee and to require the cooperation of the Deans and the Alumni Association in making arrangements to hold these activities in the March vacation during the present academic year.

8. That the President be authorized to make such arrangements as may be necessary for the conduct of the proposed committee and to require the cooperation of the Deans and the Alumni Association in making arrangements to hold these activities in the March vacation during the present academic year.

9. That the President be authorized to make such arrangements as may be necessary for the conduct of the proposed committee and to require the cooperation of the Deans and the Alumni Association in making arrangements to hold these activities in the March vacation during the present academic year.

10. That the President be authorized to make such arrangements as may be necessary for the conduct of the proposed committee and to require the cooperation of the Deans and the Alumni Association in making arrangements to hold these activities in the March vacation during the present academic year.

11. That the President be authorized to make such arrangements as may be necessary for the conduct of the proposed committee and to require the cooperation of the Deans and the Alumni Association in making arrangements to hold these activities in the March vacation during the present academic year.

12. That the President be authorized to make such arrangements as may be necessary for the conduct of the proposed committee and to require the cooperation of the Deans and the Alumni Association in making arrangements to hold these activities in the March vacation during the present academic year.

13. That the President be authorized to make such arrangements as may be necessary for the conduct of the proposed committee and to require the cooperation of the Deans and the Alumni Association in making arrangements to hold these activities in the March vacation during the present academic year.

14. That the President be authorized to make such arrangements as may be necessary for the conduct of the proposed committee and to require the cooperation of the Deans and the Alumni Association in making arrangements to hold these activities in the March vacation during the present academic year.

15. That the President be authorized to make such arrangements as may be necessary for the conduct of the proposed committee and to require the cooperation of the Deans and the Alumni Association in making arrangements to hold these activities in the March vacation during the present academic year.

16. That the President be authorized to make such arrangements as may be necessary for the conduct of the proposed committee and to require the cooperation of the Deans and the Alumni Association in making arrangements to hold these activities in the March vacation during the present academic year.

17. That the President be authorized to make such arrangements as may be necessary for the conduct of the proposed committee and to require the cooperation of the Deans and the Alumni Association in making arrangements to hold these activities in the March vacation during the present academic year.

18. That the President be authorized to make such arrangements as may be necessary for the conduct of the proposed committee and to require the cooperation of the Deans and the Alumni Association in making arrangements to hold these activities in the March vacation during the present academic year.

19. That the President be authorized to make such arrangements as may be necessary for the conduct of the proposed committee and to require the cooperation of the Deans and the Alumni Association in making arrangements to hold these activities in the March vacation during the present academic year.

20. That the President be authorized to make such arrangements as may be necessary for the conduct of the proposed committee and to require the cooperation of the Deans and the Alumni Association in making arrangements to hold these activities in the March vacation during the present academic year.

21.
