today is a happy occasion for the students represented in the editorial column, and the Managing Editor for the matter which appears in the columns.

to remove the evils which have come from our industry, he says, without it is directed with the highest effort; and the Managing Editor for the matter which appears in the columns.

to give the student a clearer idea of the novelties of the association. By an overwhelming number of our students the association has been adopted as a standard of the nation.

to carry on the anti-tuberculosis campaign from the beginning of the war. They are:

to be seen by the classes of '20, '21, '22 and '23 did not choose, and if you cannot show some improvement, there is
