HOCKEY IS UNDER WAY WITH A RUSH

First Game Scheduled For January 9 With Tufts At Pavilion - Six Man Game Will Favor Institute

GOOD MATERIAL OUT

Although hockey practice has been held only for a few weeks, many players are getting into the swing of the season. Hardly has the season begun and the sport has already assumed surprising proportions, and given promise of a more successful season than has been witnessed by us for many winters. It is a tradition here at the Institute that there shall be one of the most important sports, and the tradition has been upheld by the splendid records made by junior teams in the past years. This exceptional display of athletic ability in the hockey rink is largely due to the fact that the ice season comes at a time when the activities of the engineering department are practically at a standstill. This period is an ideal time for the indoor games. Moreover, because of the speed of the game and the opportunities for individualistic shows, which are not as frequent in any other sport, hockey is becoming a very popular sport in college institutions.

M. L. REEFS LEADS ALL UNDERGRADUATE BOWLERS

M. Lee, of the Squash Club, has taken the leading score of any one bowler in the University of St. George’s only armor consisting in a jammed trebuchet in the yard, illuminated with a red light. The falling snow gradually obscured the spectators.

As the guests arrived they were greeted at the doorway by the President, Mr. John McAlpin, and the Vice President, Mr. T. E. Prickett. As the guests entered the gym, they were served with cookies, cakes, and a large assortment of fruit. The music was played by the students, who had been practicing for the past few weeks.
