The meeting of the Alumni Association was held in the Walker Memorial. Dr. Walker, in charge of the General Work of the Alumni Association, in charge of the General Work of the Alumni Association, declared that it was necessary to have all alumni of the Institute in touch with the present administration, as the demand for technical education is greater than ever before.

Dr. Walker then presented a report of the work of the Alumni Association for the past year, and stated that the number of alumns had increased by more than one thousand since the last meeting.

The meeting adjourned until January 10, 1888, when Mr. Kuhn, Loeb & Co. reported the progress of their business, and stated that they were making a success of their work.
