DELEGATES RETURN FROM DES MOINES

Sixty-three Men Who Represented Technology At Student Volunteer Convention Impressed With Value of Missionary Work

BRING BACK VALUABLE MESSAGE

The representatives of Technology at the Student Volunteer Convention, which was held last November, returned to the campus from Des Moines on Wednesday. The conference, which is held once every four years, is an annual gathering of college students from all parts of the United States. The delegates discussed various topics related to missionary work and shared stories from their experiences.

NORTHFIELD, MINN., February 10, 1920—An unusual feature in last year's Student Volunteer Convention was the value of foreign missions, the men to the Institute feel that they have a message which is worth sharing with the world.

Formal Affair in Walker Will Close at One

With the final arrangements completed and the sale of seats well under way, the committee in charge of the Affair in Walker Memorial, to be held this Friday from 8:30 until 11 o'clock, is confident that it will be one of the most successful social functions held this year.

No preliminary dress orders will be taken. No order of the dishes is published below as announced in the last issue. The orchestra will consist of the Tech Men's Orchestra and the formal programs will be given as follows: Opening: 1—Fox trot, 2—Step dance, 3—Fox trot, 4—Foxtrot, 5—Step dance, 6—Foxtrot, 7—Waltz, 8—Foxtrot, 9—Waltz, 10—Foxtrot, 11—One step, 12—Fox trot.

There will be so few instrumentalists on the program that there will be no orchestra to help out.

As an orchestra has been announced and no main dance orders are available, the program of music has been prepared. Final plans have been made which make it possible for dancing to continue until after midnight.

An attempt to sell 200 seats was made, but with the elimination of the matches this year, the sale stopped at 150 seats.

The orchestra will consist of six men and put him into the heavier bar of the show. The smoker was further featured by slides of Tech show scenes, followed by a storm of applause and cheers.

TECHNOLOGY ENDEAVORS ENDOWMENT

January 12, 1920.

To the Editor of the TECH—

Permit me to congratulate you on your remarkable "scoop" in the first issue to announce "Mr. Smith's" real identity on the complete title and Dis-tribution of the Fund, which you put on sale as soon as Mr. Smith's name was disclosed by the Alumni Association.

The enthusiasm and work of the undergraduates in connection with the design and printing of the department of Biology and Public Health, on account of the sudden illness of Dr. MacLaurin.

1500 Graduates are Present at Banquet to Learn Identity of "Mr. Smith"—Dr. MacLaurin Unable to Be Present.

M. EASTMAN'S NAME HEARTILY CHEERED

WALKER MEMORIAL, Cambridge, January 10—"On behalf of Dr. MacLaurin, I am happy to tell you that "Mr. Smith" is George Eastman." This was the announcement made by General Colman, President of the Alumni Association, at 10:30 o'clock tonight as the finale of the annual Alumni dinner in the Walker Memorial, celebrating the completion of the eight-million-dollar Endowment Fund Campaign.

The disclosure was made at the close of President MacLaurin's address which was read by Professor Maclaurin, Head of the department of Biology and Public Health, on account of the sudden illness of Dr. MacLaurin.

REPORTS CONDITION OF PRESIDENT MACLAURIN.

It was officially announced yesterday morning that President MacLaurin is laid up with pneumonia but is doing as well as can be expected in the circumstances. The President was taken ill last Tuesday and his condition was consequently unable to attend the Alumni dinner held in the Walker Memorial.

HEAVYWEIGHT PUGS NEEDED FOR BOXING TEAM LINE-UP

With apparently smooth sailing ahead of it, the boxing team still has one urgent plan to send forth and that is to call for members of the 175-lb. class. While the other classes are well-balanced, as yet no men have been found who are equal to that weight. Oddly enough, there have been no arrivals to date, but with the elimination of the matches this year, the student body has become aware. Taken a few of the heavy men to the University and the Institute, Captain Addicks believes he will be able to line up an excellent team and put him into the heavier class.

There is an excellent opportunity for any undergraduate to try for weight for both of the teams and be a valuable addition to the boxing team. All candidates are to report to Captain Addicks as soon as possible in order to line up at the strongest weight for both of the teams.

The committee of three in charge of the Tech Show will elect Captain in the Spring, and Saturday of this week there will be held the final array.

With the final arrangements completed, the sale of seats well under way, the committee in charge of the Formal Affair in Walker Memorial, to be held this Friday from 8:30 until 11 o'clock, is confident that it will be one of the most successful social functions held this year.

No preliminary dress orders will be taken. No order of the dishes is announced as published in the last issue. The orchestra will consist of the Tech Men's Orchestra and the formal programs will be given as follows: Opening: 1—Fox trot, 2—Step dance, 3—Fox trot, 4—Foxtrot, 5—Step dance, 6—Foxtrot, 7—Waltz, 8—Foxtrot, 9—Waltz, 10—Foxtrot, 11—One step, 12—Fox trot.

There will be so few instrumentalists on the program that there will be no orchestra to help out.

As an orchestra has been announced and no main dance orders are available, the program of music has been prepared. Final plans have been made which make it possible for dancing to continue until after midnight.

TECH SHOW NAMES AUTHOR FOR 1920

C. C. Carver '21 Writes "Patsy" for Student Volunteer Drama

John Craig of Arlington Theatre Will Coach

SMOKER FRIDAY DRAWS CROWD

With an attendance numbering over four hundred, Tech Show 1920 held its second annual alumni dinner in the Walker Memorial. The most Interest was the student body in the "Patsy," by Dr. Eastman, general manager, and that the exhibition was "One of the best shows of the season." The real star of the show was that of C. C. Carver '21. John Craig of the Arlington Theatre, Bos- ton, who coached Tech Show this year also spoke of his hopes for the show. The smoker was further featured by slides of Tech show scenes, followed by songs from last year's show by the Quadrant Trio.

The name of the show selected for this year is "Patsy." C. C. Carver '21, the author and producer of the show, and with the enthusiastic cooperation of the students, the smoker was a success.
