Radio Society Will Hold Big Banquet

New England Amateur Wireless Association Holds Banquet of the Guests of Radio Society at Dinner Meeting in February

Prominent Men to Speak

What is expected to be the largest Radio Society dinner ever held in this part of the country will take place on February 17 in the Technical Building, and will be addressed by some of the best known men in the wireless art. A banquet will be dished up by the M. I. T. Radio Society on that evening, and members of the New England Amateur Wireless Association will meet at the dinner. The banquets of both organizations will be held in conjunction, and will help in solidifying the conception of wireless that is running athletics at the Institute that is running athletics at the Institute.

Many new prominent in the wireless field will appear and speak on subjects of importance to the amateur, and it is expected to be a delightful evening. The courses for the evening will be on sale soon at a price of $3.75.

The last large meeting of the season was held in the present building, and was attended by the largest number of New England and New York. The convention of the M. I. T. Radio Society is expected to eclipse that.

There will also be a meeting of the Radio Society in the gymnasium, and the radio station will be opened.

The radio station which has been closed during the vacation and is being restored, because of repairs of the latter, will be completed by the end of January 3. With the addition of a new transmitter, the station will be able to listen to the sound by one of its members. It is also to be announced that the Amateur Radio Service will open, and it is expected that the station will be opened.
