GIVE FORMAL HOP IN WALKER  

The dance originally planned for the Walker Memorial Committee for February 15th, will now be given on February 17th, at 8:00 o'clock. New dates have been inserted, but the arrangements remain the same.

The committee has planned the dance to follow the regular social formal affairs, but on a smaller scale than the regular formal dinners for the season. For this reason, the attendence may be expected to be less. Table numbers are limited to 125. They are being sold at the Student Bookstore, to Walker Mem-

motor, and by members of the com-

mittee.

The committee is composed of W. M. McKeen '23, C. H. Ford '22, M. E. Treadwell '22, and P. J. Fisk '22.

INITIATIVE NEEDED

Course XV Men Must Be Leaders Says Speaker At Smoker

That every man in Course XV must have a sense of responsibility and that the local fellow workers and his friends at the New Haven National Manufacturing Company, will be taken in the fall. Even if the after-dinner address is not as successful as anticipated, the attendance at the banquet on Saturday evening in the north hall of Walker Memorial, and the annual meeting of the Society on March 18th, will be considerable, and will serve in no small degree to call the members' attention to the work of the Society.

Professor Miller has advised the committee to hold a banquet at the Watertown Arsenal sometime in the spring and it is expected that an Architect's "Architectural Society" will be formed.

The talk should prove especially interesting to those students who contemplate entering the New England Architectural School, under the direction of Mr. Emerson.

ARCHITECTS, JUDGE ARTS AND CRAFTS

Members of Society Submit Curios and Drawings Concerning the Passing of John W. Stuart

Although the attendance was rather small, the society received several courtesies from the Architectural School, and the members of the Architectural Society are grateful.

The committee has planned a special event to be held at the Watertown Arsenal sometime in the spring, and it is expected that an Architect's "Architectural Society" will be formed.
