Samsoh Chocolate

NINE cases out of ten, the man who
once smokes a W D C Pipe
becomes a life member of the
WDC club. He can't help it, because
a WDC is certainly a man's size tobacco.
It's as sweet and mellow as carefully
selected French briar and expert
seasoning can make it. Not only material
of the first water, but craftsmanship of
the highest order, and designs that are
not pleasing—all combine to make the
W DC Pipe a smoke of peace, content-
ment and satisfaction. A man's smoke.
Any good dealer will confirm this.
