EXPERT ON TRANSPORTATION WILL ADDRESS C. S. SOCIETY

Mr. C. W. Baker is Consulting Editor of the Railway Age and a member of the American Railway Engineering Association. According to a telegram received yesterday by H. R. F. Peirce, professor of transportation at Rensselaer Polytechnic Institute, Mr. Baker will deliver a lecture on transportation at 7:45 tonight before the C. S. Society in the Polytechnic student union. Professor Peirce has recommended Mr. Baker to the committee in charge.

The meeting will be held in the fourth floor hall of Memorial Union. The lecture will be an introduction to a series of talks on transportation given by a series of experts under the title "Railway Age New York Railways," which will be resumed on March 2.

The lecture will be given in English and Mr. Baker will speak on the subject of "The Freshman banquet, which has been postponed, is to be held on Monday, March 15, at 6:45 in the main hall of Memorial Union. The ticket price will be $1.00, payable in advance.

Mr. Baker is from New York City and is a specialist in transportation and telegraphy. He is known for his work on the construction of the New York City subway and is a member of the American Railway Engineering Association.
