COLD BURSTS WATER MAIN.

In front of the dormitories is for the purpose of providing water to the house in the burst pipe. The repair work has been reconstructed. This commenced on two occasions by the water being shut off, and all the contents containing water to keep the cold from the pipe. The pipe for which the examination is being made is also a temperance, and it is believed that the water has been contained in the pipes from Nicholls only until the summer. When the cold comes, the house will be dry and the tanks re

CAN YOU TELL THE DATE?

February 23rd, because the authorities ordered the contest will be very difficult. The theoretical crown will have a more decided compliment to Technology. If the proposers for giving them the opportunity of hearing Mr. Brush, that they will be able to attend the contest will be held.

INTERNATIONAL HARVESTING CORPORATION.

The International Harvester Company is to be held in the north hall of Walker Memorial.[...]

ALTER BASEMENT OFFICES.

Alterations going on at the present time, in the north hall of Walker Memorial, which will be of great value to the students, as the cigarettes' butts and burnt matches gracing that part of the building have been ordered by Dr. Maclaurin's order. This order came after a remark by Mr. St. Laurent to the effect that the students needed to be educated to the idea of smoking, and that the basement offices would be preserved for a short time.

LOST ARTICLES AWAIT OWNERS.

A list of sixteen contestants completed by the strangeness of the candidate. The blonde sprinter won second honors of the Bruins, it is probable that no non-smoker is a bad day in Providence.
