E. E. Society is Active in Preparations for Lecture Meeting of March 9 Called Off Status of Brans Brush
The E. E. Society has been trying all the time to attract the big smoker and lecture in Walker Hall which Brush will speak to the students. A regular meeting scheduled for the evening of March 9 has been indefinitely postponed because of the fact that it was near the most important event. The society has already formulated the program for the banquet to be held in the lobby of Walker Hall at 7:15 o'clock on Friday.

Freshmen Have Plenty of "Pop" for Banquet Tonight

The program for the banquet of the Class of 1923, which will be held in the lobby of Walker Hall on Wednesday, March 5, 9:30 p.m., has been made complete. The program is divided into two parts. The first part will consist of a short address by Dr. Henry P. Talbot, head of the Department of Chemistry, followed by the installation of the officers of the E. E. Society, and a brief address by the society president.

GEORGE W. LEE TAKES OVER
The Institute's boxers take on their first opponents next Saturday night, when they journey to Philadelphia to meet University of Pennsylvania. The meet will be held in the Student Recreation Building, and the exhibition is sure to be a thrilling one. The Institute's team will consist of four men: H. D. Ford, T. E. Barnard, Capt. A. D. Archibald, and Capt. T. E. Barnard, who are all members of the class lead the officers of the Institute. The lineup of the Institute team, however, is as yet untried. There is not much dope on the opposition team, and the Institute team will have to prove themselves on the mat.
