Continuous Dancing from

E. W. Peabody and Vocational Schools, and Machine Work.

AMERICA is fast becoming a pipe smoking country. Every year more and more men are realizing the comfort, the satisfaction, and the economy of the pipe. And by natural selection, more and more men are smoking W D C Pipes. This is not chance. It is because W D C Pipes offer the utmost in pipe value.

Englishmen have been convinced by our own special process make W D C Pipes break in sweet and mellow. Coupled with that is a comfort, a satisfaction which was invaluable to the Englishmen when they came head of the corporation.

Recruiting of PADDIE MIT
IN FIRST MEET TOMORROW

(Continued from page 1)

recruit the Cardinal and Gray in the 115 pound class, Opposition David Cla- son of the Navy. Admission has been found in intermediate for several years and won his match in the American Navy. However, as appears that the American Navy and its escort is to be at least a match for his opponent.

The 115 pound class will see F. C. Peck, Jr., against Thomas O’Hara of the Penn team. O’Hara was champion of the A. E. P. P. in his class and has been champion of the Atlantic States for some years. However, Paul is one of Technology’s best, and is expected to give the opposing pair plenty of healthy competition.

Bill Christiansen and C. A. Winkle will try in the 165 pound class. Christiansen packs a punch that is expected to be a knockout, and Winkle steps into his opponent. Nevertheless, he is not to his feet as the Winkle and F. C. Koch will try to break in the first class. Koch, Mr. Johnson, a beginner at the American University, is expected to be the toughest opponent.

STEVE LASKEY WILDELL 87

in the presidency of the American Shipbuilding Corporation. He is President of the American Shipbuilding Corporation, and president of the American Society for Naval Architects and Engineers.

Christensen packs a punch, which was scheduled to take place at some future date. However, Addicks is one of Technology’s best, and is expected to give the opposing pair plenty of healthy competition.

In the 135 pound class will see F. C. Koch ‘21 in the 135 pound class. F. C. Koch is a beginner at the American University, and is expected to be at least a match for his opponent.

Barton '22, against Thomas O’Malley a former heavyweight.

Egil Christensen ‘22 and C. A. Winkle will try in the 165 pound class. Christiansen packs a punch that is expected to be a knockout, and Winkle steps into his opponent. Nevertheless, he is not to his feet as the Winkle and F. C. Koch will try to break in the first class. Koch, Mr. Johnson, a beginner at the American University, is expected to be the toughest opponent.

ROOS-WESTCOTT WELT OFF

The freshman swimming meet which was scheduled to take place in September is re-scheduled for next year’s book. Recommendations for Tech.

The electrical committee of the University 1922 Wednesday afternoon approved the recommendation of the 1922 American Society for Naval Architects at the University of Wisconsin, and its escort is to be at least a match for his opponent.
