Technology to its proper place in intercollegiate athletics.

Reserved section and later, in all probability, participation in the contests. Membership will include provision for seats in a

prom for the freshmen. Seniors got them while the freshmen and Sophomores got theirs. The final arrangement is to have a prom run by the Junior class.

A BOOST FOR TECHNOLOGY ATHLETICS

The new Technology Athletic Club will be the bond between teams and student bodies, who desire to join the Junior Prom, and Elihu Thomson. We do it an honor indeed for a man of Dr. Thomson's caliber, regraded as he is in scientific research, to give up part of his time for us, and a distinct tribute to the quality of Technology as an educational institution. It is to be re

pected that his tenure of the administrative office is only a temporary one.
