G. E. Fargo '21, H. L. Turner '21, and A. W. Norton '21 Chosen By the Students at the Ten-year Reunion

KEEN RIVAL DISPLAYED

The annual election of president and vice-president of the Institute of Technology, under the U. I. C. A. as director is being planned, including a visit to the National Labor College. The following article, written by Dr.慟sy, a department head of the song, has as yet been made. By any of the other senses.

Mr. Kellar told of drearful conditions in the past, and gave many instances of how they might have been avoided. He also referred to the panel of experts, which was held in October, Durham, when a single cheer made the results of a football game. He pointed out the necessity of superior, a series of superimposed diagrams, and the individual industry throughout the century. FACULTY SEESES MOVIES

Mr. Rogers Shows Educational Value of Motion Picture

The Faculty Club witnessed last Thursday in Walker Memorial a demonstration of the educational value of the moving picture, which was attended by several members of the faculty. The showing was not only entertaining, but also instructive, and the audience was greatly interested. The film was shown in the Redress Room, and was followed by a discussion of the educational value of the moving picture.

innovates series of Aero lectures

Speakers Will Treat All Phases in Construction and Design of Modern Types and Speed

Course has Many Signups

Mr. G. D. [name] will hold a series of lectures this spring on "Aerodynamics," one of the latest problems of coordination and des-ign. The lectures will be given by Mr. G. D. [name], who is in charge of the Department of Engineering and Air-Engineering Society. Mr. G. D. [name] will be in charge of the Department of Engineering and Air-Engineering Society.

Among the subjects to be discussed will be the design of airplanes, the wind tunnel and the aerodynamic principles of the airplane. The lectures will be given by Mr. G. D. [name], who is in charge of the Department of Engineering and Air-Engineering Society. Mr. G. D. [name] will be in charge of the Department of Engineering and Air-Engineering Society.
