REJECTS SENIOR CLASS DAY ELECTION RESULTS

Institute Committee Refuses to Recognize Recent Choice of Officers on Account of Previous Manipulation

TAKE NEW VOTE NEXT WEDNESDAY

Senior Class Day election results were rejected by a vote of 27 to 1 at the Institute Committee meeting held yesterday. A letter of resignation from the three Class Day Marshals and seven other members of the Class Day Committee was read, giving as the reason the fact that the elections were not held in the same spirit as previous elections at Technology and that the members did not feel that the elected men represent the will of the majority of the Senior Class.

It was brought out that the Seniors of Course X held a meeting previous to the elections and decided upon 25 men for whom they were to vote. It was also said that a list of these men was posted in one of the laboratories for reference . Several statements were made concerning the attitude of splitting the Institute into many sections, each representing one particular course.

Debate Holding New Elections

When the question of holding a new election was taken up, a suggestion was made that a system of cumulative voting be started at the Institute so that no one course or organization could elect all the officers in any class election. A motion was passed that a committee of three be appointed to investigate election methods in other colleges. A motion that new elections be held as soon as possible was also passed. It was further decided that all men who entered the Institute with the Class of 1920 be eligible to vote if they wish to consider themselves members of the class.

The combined Musical Clubs and the Technology Christian Association were not represented at the meeting. The Chemical Society and the Mechanical Engineering Society were re instated.

SHOW REDEMPTIONS CLOSED TOMORROW

Applications No Longer Honored —Seats for Three Performances in Arlington Theater Disposed of Last Night

REHEARSE IN COSTUME

All seats for the Boston performances of Tech Show on Monday afternoon and evening have been sold out, according to a statement made last night by the management. The only seats remaining in the second balcony and a few isolated in the first balcony will be sold to men holding applications for first class seats that have not been filled, due to their late arrival. Seats for the Alumni performance on Tuesday night are also nearly all sold and the few remaining are being held for Alumni, no further student applications receiving consideration.

Applications for all three performances are redeemable today in the main lobby from 11 until 2 o'clock and tomorrow from 11 until 1 o'clock.

The management is exceedingly sorry to disappoint so many men, for it was thought that by introducing the innovation of three Boston shows in the second largest theater in the

COSMOPOLITANS REVEL

Dance Till Midnight Tomorrow in Walker Main Hall

The Cosmopolitan Club will give their second dance of the year in Walker Memorial tomorrow evening at 8 o'clock. The features of the occasion will be several spot-light numbers and favors for the best dancing exhibited. The orchestra of Ben Lowe has been secured and the committee in charge, composed of P. F. Lavendan '20, M. E. Martinez '20, Florence Fogler '20, H. F. Yung '23 and J. A. Frank '23, promises a splendid entertainment.

Patronesses for the evening are Mrs. Elihu Thompson, Mrs. H. P. Talbot, Mrs. A. F. Bemis and Mrs. J. Lipka. Refrshments will be served in the grill. There are a few tickets left which may be secured from members of the committee or at Walker.

PROFESSOR SPEAR LEAVES INSTITUTE

Was In Charge of Course in Chemistry of Colloids—Will Accept Position with the Goodyear Tire Company

STARTS NEW WORK IN SUMMER

Professor Ellwood B. Spear, in charge of the course in chemistry of colloids, has tendered his resignation to the corporation. Acting on his decision to go into industry, he has accepted a position with the Goodyear Tire and Rubber Company in Akron, Ohio. The resignation takes effect at the end of the school year. Professor Spear received his degree of Bachelor of Arts from the University of Manitoba in 1899. He studied at the University of Toronto from 1899 to 1902. He then went to Heidelberg, and to Leipzig, receiving his Ph. D. degree from the former place. Returning to this country, he entered the Institute as assistant in the research laboratory of physical chemistry. In 1907 he was made instructor in qualitative analysis, and the next year instructor in inorganic chemistry. In 1910 he became assistant professor and later associate professor. Dr. Spear has written a book on the "Chemistry of Colloids."

LECTURE IN HOG ISLAND SERIES COMES WEDNESDAY

The second talk in the series being conducted by the combined professional societies will be given Wednesday evening April 14 in the north hall of Walker Memorial. The societies acting through an executive committee appointed for the purpose, have secured Captain C. S. Bookwalter who was manager of machinery installation and outfitting at Hog Island. He will speak on a subject of general engineering interest, namely, installation of machinery, outfitting, and tests.

The officers of all the professional societies are enthusiastic about having secured this series of talks for the undergraduates as they feel that the subject matter is of special interest to members of their respective organizations. H. B. Deal '20, chairman of the committee in charge of the smoker, has telegraphed Philadelphia for more details concerning the talk which will be published in the next issue of THE TECH.

DELIVERS LECTURE ON WIND TUNNEL EXPERIMENTS TODAY

Aero Engineering Society Begins Course in Plane Construction

The first lecture of a series dealing with airplane design and construction will be delivered today by G. M. Denkinger '13, in room 10-275 at 4 o'clock. This course of addresses is given under the auspices of the Aero Engineering Society and all the talks will be held at the same time and place on successive Fridays, with the exception of April 16.

Experiments carried out in the wind tunnel will be the subject of discussion at the lecture today by Mr. Denkinger, who is in charge of Army Aeronautical Research at Technology. The methods employed in the testing out of the practicability of different designs for airplanes will be explained as well as the ways in which the results obtained by the ex-

PLAY FOR SIMMONS

Musical Clubs Aid Endowment by Concert at Steinert Hall

The next concert of the Combined Musical Clubs will take place at Steinert Hall, Boston, next Monday night, under the auspices of the girls of the Simmons college. This concert is being given for the benefit of the Simmons Endowment Fund drive. It will begin sharply at 8:15 o'clock, admission being through the Boylston Street entrance.

The treasurer of the clubs announces that tickets for the Simmons concert will be on sale in the main lobby this noon from 12 to 2 o'clock, and redemption of all signups must be made at that time. Otherwise they will be canceled and resold to the men who have their names on the waiting list at the Musical Clubs' office.

At a meeting of the clubs Wednesday afternoon, officers of the Banjo and Mandolin Clubs were elected for the ensuing year. The leader of the Mandolin Club is G. W. Pollock '21 and the assistant leader is R. H. Lund, Jr., '22. J. J. Liecty '22, will lead the Banjo Club, assisted by T. W. Alder, '22. The advisability of holding trips during the Xmas or Easter vacations was discussed. Both clubs seemed to favor the Xmas vacation trips.

BOXERS HOLD FIRST HOME MEET TODAY

Exhibition Matches in Walker Gym Start at 4.30 O'clock to Accomodate Men with Late Classes—Short Fencing Contests Held First

SEVERAL NON-INSTITUTE MEN WILL COMPETE

For the first time, the members of the Institute boxing team will be seen this afternoon in home competition. Bouts will be held among varsity men and also among outside amateurs, and prizes will be awarded to the winners by the M. I. T. A. A. The event takes place from 4 to 6 o'clock, and the program has been so arranged that students with classes from four to five will be able to see the most important bouts. Therefore the program will start off with a number of fencing matches, which will last until 4:30 o'clock.

Admission will be 50 cents, and as the proceeds will go to the M. I. T. A. A. for the benefit of Institute athletics, a large turnout is expected. Tickets are on sale every day from 12 to 2 o'clock in the main lobby.

One of the most rugged boxers who will come to the Institute Friday is Bill Hoar, son of "Mike" the guardian of the Technology track. Although not very fast on his feet, he is a hard hitter and will give Addicks '21 lots of competition. In the 135 pound class, Ten Eyck will again meet Fritz Paul. These two men put up a very close scrap several weeks ago, the decision going to Paul, but Ten Eyck has improved a lot since then, and a very interesting fight is expected.

Willie Corbett Will Perform

One of the new boxing finds at the Institute is Brash, former 135-lb. champion at Georgia Tech. He will meet R. L. Smith, runner up in the 125-pound class. For the first time this year the Institute will be able to see Willie Corbett in action. Wilne won the National Amateur Championship last year before turning professional and is one of the foremost lightweights in New England, having

HARVARD FENCERS DEFEAT INSTITUTE FOILSMEN 6 TO 3

Also Win Dueling Sword Contest From Cardinal and Gray

The Harvard foilsmen defeated the Institute team at Walker Gym last Saturday afternoon by a score of 6 to 3. These matches were arranged so that each man on the one team encountered each man on the opposing team. The most skillful exhibition with the foils was shown in the first match when Ordway of Harvard defeated Erling Skabo '22 of Technology, 13 to 12. Captain Snow of Harvard displayed excellent form and worked consistently throughout.

In the second encounter of the day Harvard won the dueling sword matches 3 to 1. The Institute victory was won by James Nesmith '22 who downed Ordway of the opposing team. On the Harvard team was Snow (Capt.) Ordway and Howard while the Institute was represented by White (Capt.), Skabo, Nesmith and Ravecca.

GEN. WOOD TO GIVE ADDRESS IN WALKER

Demand for Accommodation Has Been so Much Greater Than Available Supply That New Place is Chosen

NO LIMIT ON TICKETS

Due to the fact that up to yesterday noon there had been over one thousand applications for tickets to hear General Wood speak, Chairman R. F. Officer '21 and his student committee in charge of the reception have decided to hold the meeting in Walker Memorial.

General Leonard Wood will therefore address Technology men at 12 o'clock next Wednesday in the main hall of the Walker, instead of room 10-250.

The reason for the change is that accommodations in Smith Hall, as announced in the last issue of THE TECH, would permit the seating of 550, with standing room for 200. By last Wednesday, enough tickets had been applied for to fill the lecture hall to overflowing.

ENFORCES TRAINING

Kanaly Dismisses Ten Men for Breaking Rules

The first step in the enforcement of the training rules under which the track team is now operating was made last Saturday, when ten men were asked to leave the squad for failure to report to Coach Kanaly Saturday afternoon.

Kanaly explains that all men are required to report on Saturdays and when the men were questioned on their absence and had no excuses, they were dismissed. One of the men, it was said, was good for a place in the Intercollegiates and another was one of the best high jumpers at the Institute.

The weather Saturday gave Coach Kanaly a good chance to work his men fast and some good times were turned in. The team is coming along well and when the training table is started it is expected it will help the runners a good deal. Nothing about the training table is definite as yet ,but it will probably be started some time next week or shortly after the Junior Prom.

CHOOSE TWO MORE MEMBERS OF BOARD

H. C. Gayley '22 and D. R. Linsley '22 Elected to Take Positions of Societies and Athletic Editors on 1922 Board

FILL OTHER OFFICES SOON

Following the election of the Editor-in-Chief of Technique 1922 at the last meeting, the Technique Electoral Committee elected men for the positions of Societies Editor and Athletic Editor. H. C. Gayley and D. R. Linsley respectively were elected to these positions. Following this, A. E. Meling was the only man nominated for Portfolio Editor and will, therefore, be elected unanimously next meeting. Nominations for Statistics Editor were then opened and an elimination vote taken. R. E. Spaulding and W. T. Ferguson survived this vote, F. W. Herbert being eliminated.

It was decided to hold a contest for Photographic Editor to last until after Junior Week. The same procedure was followed for nominating condidates for Faculty Editor. W. B. Purinton, A. L. Johnson, J. C. Patty and T. W. Alder were discussed. The first two men were retained in the elimination vote.

In future Donald F. Carpenter will preside at these meetings. It now remains for the present Technique Board to appoint a Treasurer for the next volume. The next meeting of the Electoral Committee will be held this afternoon.

CALENDAR

Friday, April 9.

4:00—Boxing Meet in Walker Gym.
6:30—Latin-American Club dinner at Hotel Hemenway.
4:00—Academia Meeting in 4-138.

Saturday, April 10

8:30—Cosmopolitan Club Dance in main hall, Walker.

Tuesday, April 13

7:30—Faculty Club Dinner and Meeting in faculty dining room and north hall.
7:30—Get-To-Gether Club Smoker in grill room.

Wednesday, April 14

7:30—Combined Professional Societies in north hall.

1920 ELECTIONS WEDNESDAY

Wednesday, April 14 has been set as the date of the re-election of the Senior Class Day Committee. Balloting for the 25 members of the committee will be held as before in the refrigeration laboratory from 9 until 5 o'clock. The class officers will be in charge.

All men affiliated with the Class of 1920 who wish to be considered in these elections are asked to check their names on the ballot which will be posted tomorrow on the main bulletin board opposite the Bursar's office.
