THE TECHNOLOGY REUNION

The announcement that the Alumni reunion will be held again this year is a welcome to all Technology. It has been a long time since the last reunion, four years ago, and this year is a good time to see our new Technolog-ology, which presents a far different picture now than it did in 1892. It is indeed said that our late President, whose guiding hand made the new Institute possible, cannot be with us on this occasion.

We wish the reunion the best of success and know that it has the support of every loyal Technological.

CIVILS DUMP MINERS IN MIREE OF LOWLY DEFEAT

Echoes of campus cinema—the aces triumphed over their time-honored rivals from Carney Hill Wednesday afternoon on Tech Field ever as, and that about 500 were present. The score was seen to the south at 10:30, and the game was over by 10:00. Tech fans were overjoyed at the 14-2 score and were barely perturbed after Tech had gone right with the tie. The old favorites were very much in evidence. Despite several warnings at the hands of the Coop 1 men at camp last summer.
