A deputation composed of E. N. Dunlop '21, B. P. Williams '21, R. W. Kemper '22, and J. S. Raftery '22 was sent to Bridgewater, Mass., last Sunday, by the T. C. A. The trip was to hold conferences with the boys of the community, and encouraging them to continue their education. The churches and county Y. M. C. A. cooperated in bringing the grammar school and high school students together for the conferences. Each group being urged to continue their schooling in the colleges and universities of the country.

Tops Viable to Institute

The value of these trips is three fold. They are of greater importance to the boys of the community, they form an excellent medium by which the Institute may be advertised, and they give the men making the trip an opportunity to develop their talents in public speaking. W. M. Ross, general secretary of the association, is highly pleased with the success of the trip and announces that a similar party will go to Kingston, Mass., next Sunday. This group will be composed of R. L. Turner '21, vice-president of the T. C. A., W. M. Ross, general secretary, and a third member yet to be chosen.

T. C. A. open Through Summer

At a meeting of the advisory board of the T. C. A. last Thursday it was decided to hold the T. C. A. office in Walker open throughout the summer vacation period. There will be somebody in attendance to handle the routine business of the association, such as locating rooms for students, finding employment, and answering inquiries.
