Arthur W. Skilling '21... Managing Editor
Roger H. Damon '22... Circulation Manager
William R. Scott '22... Chairman, Editorial Board
Rodney G. Pottengill '22... Editor, The Tech Engineering News

Subscription \$1.75 for the college year, in advance. Single copies, three cents.
Business office, 319 Walker Memorial, Charles River Road, Cambridge 39, Mass.; business phone, Cambridge 7415. News room, 3 Walker Memorial; news phone, Cambridge 7415; after 6 o'clock Monday and Thursday, Main 4734, 4735, 4736.

IN CHARGE OF ISSUE

James D. Sarros '22... Joseph S. Ward '22

TUESDAY, MAY 25, 1920

YOUR CHANCE 1920

WITH the advent of June, there comes an opportunity to the Class of 1920, an opportunity which seldom arises, the neglect of which would be the cause of censure and disappointment.

To the undergraduate body, the words, "Senior Week", mean very little, but to the Senior, they represent his final triumph, the culmination of his four years of struggle and unceasing effort.

CAMBRIDGE EXTENDS THE GLAD HAND

THE city of Cambridge is remarkably grateful for services rendered by its citizens. Its gratefulness is long enduring—has endured for a matter of eighteen months.

We admire the thriftiness of Cambridge, but we trust they will not lose sight of the fact that, in the opinion of some people, we are to have no more wars.

EDITOR WILL SPEAK ON ENGINEERING PUBLICITY

Waldemar Kaempfert, editor of the Popular Science Monthly, has been secured by Professor A. T. Robinson to speak to the course in Engineering Publicity and the course in The Modern Newspaper.

The talk will be delivered in room 2-180 at 12 o'clock Thursday, and will be limited to men in those two classes and men on the publications who are interested.

Mr. Kaempfert will deal with the various means of getting engineering facts before the public, and will illustrate with examples of good and bad articles. Also he will discuss publicity from the magazine editor's point of view.

T. A. C. ELECTS OFFICERS

Election of officers of the Technology Athletic Club took place in the North Hall of Walker Memorial last Friday evening. In addition to this, insignia were awarded to members of the varsity fencing, wrestling, rifle, cross country, swimming, boxing, wrestling, rifle, cross country, swimming, boxing, wrestling, and tennis teams.

Rollin F. Officer '21 was elected president of the organization and Richard McKay '21 vice president. Officer is president of the M. I. T. A. A. and a former manager of the hockey team.

NOMINATE OFFICERS

Ballots will be sent to the active members of the Cosmopolitan Club Thursday to be filled out and returned to the Information Office by Tuesday, June 1.

President, A. H. Rodriguez '21, and H. S. Kiaer '21; first vice-president, A. L. Guerrero '23, and H. Y. Tsui '22; second vice-president, T. T. Stevenson '23, and H. F. Yung '23; secretary, J. A. Frank '23, and G. A. Lo '21; treasurer, T. F. Wei '21.

The committee announces that a second man may be nominated for treasurer by presenting a petition signed by five members to the secretary of the club before Wednesday.

LATEST ISSUE OF T. E. N. APPEARS THURSDAY, MAY 27

Thursday will see the appearance of the last issue of the Tech Engineering News until the beginning of the next school year. The issue will be replete with cuts and will have articles by several well known men.

Professor G. L. Hosmer of the Civil Engineering Department has written a story entitled "Getting the Most Out of Camp." His story deals with life at the summer surveying camp at East Machias, Maine.

F. E. Norton '91 who has done considerable research work in connection with making helium gas, has sent in a story for the T. E. N.

ELECTRICALS DRAW PLANS FOR BANQUET THURSDAY

Course VI Men Are First to Hear Acting President

Besides the speaking of Dr. Elihu Thomson, the Electrical Engineering Society is furnishing several other features for the banquet Thursday night.

The scene of the banquet has been changed from Riverbank Court to the Copley Square Hotel. A charge of \$1.75 has been set, and the committee states that all men who expect to attend, must signify their intention by signing up in the office of the society.

Ballots for next year's officers have been sent out and the returns of the election will be announced at the dinner.

JAMES A. PATCH '00 TALKS TO CLASS OF 1900 TONIGHT

James A. Patch '00, formerly professor of chemistry at the Syrian Protestant College, Beirut, Syria, and now instructing at Roberts College, will give an illustrated talk on his experiences in the war zone at an informal dinner to be given by the Class of 1900 in Walker this evening.

CORPORATION XV CHOOSES OFFICERS FOR NEXT YEAR

New officers for the coming year were chosen by the members of Corporation XV, at their final meeting of the term held yesterday afternoon.

NEW LEADERS SELECTED

C. L. Poole '21 has been elected president of the Chess Club for next year. Leo Shedlovsky '22 and Carl Thumin '21 were respectively chosen for vice-president and secretary-treasurer.

'23 WINS CLOSE RACE

Defeats Noble and Greenough by 1 1/2 Lengths in Mile

True to form the freshman crew repeated their past performances by defeating the Noble & Greenough School eight Friday, over a mile course on the Charles.

The varsity race with Union Boat Club scheduled for Saturday, was postponed until 6:15 o'clock tomorrow owing to the bad weather.

LAMP POST FALLS

In the storm of last Saturday one of the street lamps in front of building 2 was blown down by the wind.

NOTICES

For Undergraduates

E 52—Men who took E52, Contemporary Literature, in the second term with Professor Rogers may now secure their themes at his office or from the secretary of the English Department.

Military Science—Department will hold a review of freshmen and junior freshmen at 5 o'clock on Tuesday.

VOODOO CELEBRATES

(Continued from page 1)

nounced a new competition for positions in the advertising and business departments, which will continue through the summer and fall and to which all students and incoming freshmen are eligible.

The editor-in-chief then told of the newly formed Voodoo society, to which anyone (not necessarily on the board) will be admitted after showing sufficient interest in the different departments.

RIGHT PRICES AND A DIVIDEND

TECHNOLOGY BRANCH

America's Greatest Dam

The book describing the Muscle Shoals, Alabama Project is now on sale at the Technology Branch of the H. C. S., McGreener's Restaurant and some of the leading New England News Stands.

Every Technology man interested in engineering should have a copy of this book. It is also hoped that it will be of interest to the general reading public as there are other things therein besides the technical description of a Dam.

No trouble has been spared in assembling the contents but the purchaser will not be buying paper, binding, and advertising in this edition.

Only a few copies are now on sale across the street from the Institute so get your copy early, and should the supply be exhausted when you call, leave your name and \$1.00 there or order a copy of the next edition from the author, to be sent postpaid.

It is regrettable indeed that the book was unexpectedly delayed by those in charge of its mechanical preparation. The author was forced to personally assist in the binding and inspection of the book.
