ALUMNI WILL ASSEMBLE FOR "OLD HOME WEEK" ON JUNE 21

Fourth Technology Reunion Will Give Opportunity to Inspect New Institute Buildings and Interiror

With Old Classmates

PLAN TO REVIEW HISTORY OF INSTITUTE

Old Home Week at the Institute will feature the Fourth Technology Reunion, which is to be held June 21 and 22, it was announced by Dr. W. B. Williams, secretary of the National Alumni Association of the New Institute. Although the Alumni Society was chartered in May, 1913, it was not until very recently that it was able to make the needed preparations for this annual event. The Alumni Society has worked hard to make the reunion a success and has succeeded in recruiting a large number of alumni to take part.

Wednesday morning at 9.30 o'clock, next year's Sophomore class, or not to limit the membership to it will probably be decided whether the shins "Harry Tyler" and "Let's Play" will be held in the main hall of Walker, the year, but plans are being made to ing some time next week at the floor.

On the program for the reunion will be the following events:

- A banquet will be held at the end of the day on June 21. The banquet will be held in the main building and all alumni and friends will be served a hearty meal.
- An open house will be held in the main building on June 22. Alumni and friends will be invited to visit the new buildings and inspect the new equipment.
- A band concert will be held in the afternoon of June 21.
- A special faculty meeting will be held on June 21.
- A special meeting of the national Alumni Association will be held on June 22.

The Alumni Society has worked hard to make the reunion a success and has succeeded in recruiting a large number of alumni to take part. The reunion will be a great opportunity for alumni and friends to come together and enjoy each other's company.

CARL T. LOWE, Assistant Secretary of the Alumni Society.
