THE VOO Doo is the Institute's comic magazine, is out for one hundred and sixty-two subscribers, all of whom are going back to "the old school." The Voo Doo was founded in January 1919 and met with instant success. Some of the subscribers mentioned in last issue over a year ago, the Voo Doo was a new organ of Columbia, on "Dr. W. E. Walker, President," in the "Technology Monthly." Because of the Voo Doo's success, the Institute decided to continue its publication. The first public meeting of the class of 1917 was held at the Voo Doo Office, Walker Memorial, Charles Street, at 8:00 o'clock on Wednesday, the 21st of May in the year 1919. The Voo Doo is not a profane organ, but it carries a light touch on the subject. The Voo Doo is published monthly, and it will be sent to all subscribers free of charge.
