ALUMNI GATHER THIS MORNING IN WALKER

Speakers from Both Graduate and Undergraduate Bodies Will Talk on Topics of Vital Interest to Technology

DEPARTMENT LUNCHEONS FOLLOW

A large gathering of all the Alumni attending the weekend will take place this morning at 10:30 o'clock in the Great Hall of Walker Memorial, where speakers will entertain the audience with tales on things of vital interest to the school. There will be speakers from both Alumni and undergraduates. Each will have a talk on the topic of the day as assigned by the Department of Alumni Relations. There will be one of these talks each day of the reunion for the different departments of the Institute. The schedule of speakers is as follows:

Friday, June 22: President of the Mechanical Engineering Department, T. C. Rogers, will lay the foundation of the future alumni work; Dr. W. H. L. Walker, will open the meeting with a talk on those things of vital interest to the alumni.

Saturday, June 23: President of the Electrical Engineering Department, T. C. Rogers, will lay the foundation of the future alumni work; Dr. W. H. L. Walker, will open the meeting with a talk on those things of vital interest to the alumni.

Sunday, June 24: President of the Chemical Engineering Department, T. C. Rogers, will lay the foundation of the future alumni work; Dr. W. H. L. Walker, will open the meeting with a talk on those things of vital interest to the alumni.

BANQUET TONIGHT
Sir Auchentoshan Geddes Will Address Technology Alumni

Dr. Deale, the second day of the Alumni Reunion will be observed with a banquet in the main hall of Walker Memorial. The gathering of hundreds of former graduates of the Institute is scheduled to begin at 6:30 o'clock. A large number of the attendees are expected to be present.

To be the principal speaker at the banquet is Sir Auchentoshan Geddes, the distinguished representative of the British Government. Geddes has been very active in the promotion of British technology and has been a prominent figure in the development of the Institute's Alumni Association.

The banquet will be followed by a social program, which will continue until midnight. The Institute's Alumni Association has made arrangements for a large number of former graduates to attend the banquet, and a number of special guests will be present.

Values of the evening will be the presentation of the Institute's Alumni Association award to a distinguished alumna, and the dedication of a new building, which will be named in honor of the late President, Dr. W. H. L. Walker.

SILVER BAY CONFERENCE OPENS FRIDAY
Where The Delegation Is Going

Better sign up with Wallie Ross for that Silver Bay Conference. They're going to a place where the water is clear and the scenery is beautiful.

COMES FROM MEXICO CITY

Arca holds up 91 'jays' all the way from Mexico City for the benefit of the Institute. The men have been working on a project for the benefit of the Institute, and will report with the rest of the Institute's delegation.

The men are more than pleased with the enthusiasm shown by the Institute for the project. They have been working hard to complete the project, and are looking forward to the results.

CAME FROM NEW YORK CITY

The men are more than pleased with the enthusiasm shown by the Institute for the project. They have been working hard to complete the project, and are looking forward to the results.
