MEMBERSHIP IS NOW OVER THREE HUNDRED

Cosopolitan Club Prepares for Year of Unprecedented Activity—General Electric Will Give Address

PLANS ON FOOT FOR HOP

The Cosmopolitan Club, with a membership of about three hundred, is preparing for a year of unprecedented activity. The first meeting will be held on September 12, and it is expected that the membership will be doubled by the end of the year.

On October 1, an address by Mr. Charles A. E. Putnam, General Electric Company, will be given. This address will be followed by a discussion on the subject of "Science and Education."

Six Committees Named to Arrange Annual Autumn Get-Together on October 15—Speeches Will Acquaint New Men with Various Activities

TECH SHOW WILL FURNISH MUCH OF ENTERTAINMENT

The annual All-Technology Show, held soon after the opening of the fall term in Walker Memorial, will come on Friday, October 15. The Tech Show will furnish much of the entertainment for the outgoing senior class.

Every year the Institute Committee on Social Affairs is faced with the duty of welcoming new students to the Institute at the monster smoker. Street addresses are to be connected with each of the activities, speeches to acquaint the new men with the traditions and customs of the Institute, and boxing, wrestling, and various games with which to amuse them. As such activities are the only ones which can be planned in advance, the committee finds it difficult to name them as soon as is possible.

All of the entertainment thus far has been done by the workmen of the college, as many of the organization is entitled to admission to all Institute athletic events, but they will participate in receptions given for the convenience of the members, and all social events given by the Institute.

Future plans include a monster smoker, with additional entertainment, and a monster smoker at the close of the second year.

Programs for the week include:

Friday, October 15—Annual All-Technology Smoker in Walker Memorial, 11:30 p.m.

Saturday, October 16—The Annual All-Technology Banquet in Walker Memorial, 7 p.m.

Sunday, October 17—The Annual All-Technology Dance in Walker Memorial, 8 p.m.

Monday, October 18—The Annual All-Technology Reception in Walker Memorial, 4 p.m.

T.A.C. STARTS DRIVE

Every Institute Man Is Asked to Join Club

Details of the program may be found in the next issue of the "Cosmopolitan Club Newsletter."
