Annual Contest for Juniors a Feature this Year—Will Line on Position 1922 Volume—Regular Contests also

STUDY AUDITIONS

Members of Radio Society Hear Address on Vacuum Tubes

The first professional society to hold a smoker this year was the Radio Society. At its meeting Wednesday evening, two speakers presented the first number of the program which has been planned for the year. In the north hall of the Memorial Auditorium about 75 members of the society heard Mr. C. G. Sherdoff, head of the Research work of the Department of Electrical Engineering at the Institute, speak on "Vacuum Tubes." He traced the development of the "vacuum tube" in radio work through the inventions of Edison, Fleming and the Forester up to its present status.

After a general discussion was followed by the address of Lieutenant Warren of the Department of Military Science at the Institute. Lieutenant Warren showed the pecuniary need of the government in the training of Signal Corps, and explained the present E. O. T. C. plan by which men taking the advanced work at the Institute will receive a commission in the reserve corps upon graduation.

On Friday, November 3, two groups of representatives from all classes of life.

"ACTIVITIES" DEAN'S BEANS

Men planning on attending the All American Game should purchase their tickets as soon as possible. U. S. C. has already sold tickets for the affair, and they will be shipped to each college between the hours of 12 and 2 o'clock on Friday morning. The management wishes to make absolutely sure that all interested students will have tickets by the time the shipment is made. In the absence of which the committee expects the demand to exceed the supply of the out crowd that is expected.

The first to speak was Senator Carper, the former French resident, who spoke on "The French System of Higher Education." His speech was well received and showed a deep interest in the subject. The Boston border between Frank Frank, former world middleweight champion, and "Two-Face" Sullivan, former world middleweight champion, will be one of especial interest.

DEAN BURTON WILL SPEAK

After these lectures, Dean Burton will speak on "The American System of Public Education." The subject will be the educational system of the United States, particularly the public schools.

The ticket price is $5.00 for each school. The game will be played on Tech Field.

TECHNOLOGY SOCCER TEAM WILL MEET Dartmouth, The Game Will Be Played On Tech Field Tomorrow Afternoon

Additional prizes have been announced, the first by Prof. A. D. Stimson, who offers the first person to cross the line.

Yeo-Ho and a Package of Camels

By W. H. Irwin '21

There was a general discussion of the subject and the evening concluded with a feature of the evening's program, a radio program featuring the Institute's radio station.

The ticket price is $5.00 for each school. The game will be played on Tech Field.
