BOOM ALL ACTIVITIES AT MONSTER DEMONSTRATION

All Technology Smoker is Signal for Formal Opening of Many Competitions—Scope of Various Student Organizations Explained By Managers

DEAN BURTON ADVISES Participation of Students

The first day of the smoker was an extremely busy one with the meeting of the X-A graduates held last evening at the Boston Opera House. The performance, a Winter garden production, is of the musical extravaganzas type and will be considerably modified by the introduction of humor applicable to Tech. As usual the house will not be opened until 7:45 o'clock, and the first choice of seats will be limited. The second day of the smoker will be held on Monday, November 1 and run at the Boston Opera House. The performance, a Winter garden production, is of the musical extravaganzas type and will be considerably modified by the introduction of humor applicable to Tech.

At 5 o'clock the doors were opened for the first relay to go up to the balcony, while sides shows were then put on in the Smoker. The first show was "The Passing Show of 1919," which was an entertainment which was greatly enjoyed by all present.
