OFFICERS INSPECT R.O.T.C.

The R. O. T. C. and the Military Science department were officially inspected Friday, October 22, by colonel J. M. Moore of the General Staff in Washington. Colonel J. D. Telford of the R. O. T. C. Branch of the First Corps Area, and Major R. C. F. Geert, Professor of Military Science at Harvard University. The inspecting officers were highly pleased with the military work at the Institute, making special comments upon the rapid progress made by the freshmen.

For a Full Bag

Nothing so steadies the field shooter as the knowledge that his shell loads are absolutely dependable and correct for the work in hand. Our experience covering a period of 118 years has taught us that the shot and shell are correct and that any shooter will find perfect satisfaction in selecting his shells from this list. The leads are always correct and that your dealer has these loads in stock.

SOPHOMORE FOOTBALL TEAM PLAYS 66 TIE WITH LOWELL

1923 Unable to Score on Fast 1st-half

The Sophomore football team played a 66 tie with the first half a repulsive Lowell Textile School the last Saturday, and the game was played out by the two teams, and the play of the opponents, a territory most of the first half.

The return to the squad of freshman Charles was one of the two teams' problems, as the trip was taken only twenty men had a good chance to do some good work on the team. About thirty rounds of ammunition, were found, the shots being arranged so that half the men would be doing the firing.

The distance was three hundred yards, and the trip was taken only by the men of the team, and the two teams had a good chance to do some good work on the team. The rounds of ammunition were found, the shots being arranged so that half the men would be doing the firing.

The YMCA held a practice SHOOT AT WAKEFIELD RANGE in the second part of the game. The game was played out by the two teams, and the play of the opponents, a territory most of the first half.

RIFFLE TEAM HOLDS PRACTICE SHOOT AT WAKEFIELD RANGE

The Riffle Team held a practice shoot at Wakefield Range, with the second part of the game. The game was played out by the two teams, and the play of the opponents, a territory most of the first half.

Women's and Children's

Tuesday, October 26, 1920

OFFICERS INSPECT R. O. T. C. and the Military Science department were officially inspected Friday, October 22, by colonel J. M. Moore of the General Staff in Washington. Colonel J. D. Telford of the R. O. T. C. Branch of the First Corps Area, and Major R. C. F. Geert, Professor of Military Science at Harvard University. The inspecting officers were highly pleased with the military work at the Institute, making special comments upon the rapid progress made by the freshmen.

This inspection is made in the fall of each year to enable the military authorities at Washington to observe the conditions under which the various stations of the R. O. T. C. are meeting the requirements for the academic year.
