THE TECH

COMMUNICATIONS

To the Editor of THE TECH:

I would like to express my gratitude to the T. A. for the excellent and accurate campaign for athletic democracy which has helped to strengthen the bond between the student body and the University. The event was a noble and avowed fight and the final result was due in large part to the T. A.

Sincerely yours,

1st Rdg's 5% 'Gold Bonds

Due Jan. 1, 1956

This company stands on one of the best water power developments in the state. Having a capacity of about 6,000,000 h.p. to produce 650,000,000 kwh. at a maximum of 492 kwh. per sq. mile. interest charges 4%. The bond is non-callable.

We consider this one of the best long term hydro-electric bonds available for investment.
