There will be a position of manager of the freshman team with two as-sistant managers for the Varsity, and these places will be filled as soon as possible.

The organization of the team has been held up for some time due to delay in the building of the range. The first N. R. A. matches should be run off at once, as the first two must be completed not later than Friday of this week.

Manager that appoints a large number of candidates, and is going to make every effort to have the ranges open every afternoon after 3 o'clock in order that all team candidates may be able to practice.
