

TECH SHOW HOLDS FINAL REHEARSAL AT OPERA HOUSE

HARVEY MADE CHAIRMAN OF CLASS DAY COMMITTEE

Harvey, Skilling, Smithwick, Junod, Conant, and St. Laurent Compose Executive Committee With One More

WILL ACT ON SUB-COMMITTEES NEXT MEETING

A. D. Harvey was elected chairman of the Senior Class Day Committee at its meeting last Friday, while A. W. Skilling was selected to fill the position of secretary.

Francis L. Blewer was elected to a place on the Class Day Committee. Owing to a proof mistake his name failed to appear among those elected in the list published in the last issue of THE TECH.

The next meeting of the Class Day Committee will be during the first week of next term, before which the executive committee will meet twice.

USHERS WEEK IN

Technique Rush Opens up Festivities Thursday

With the novel way of commencing the Technique Rush this year, it should prove quite an invitation for all who are in town Thursday morning.

Winners Announced

Just before the first shot is heard the winners of the Statistics and Grinds competitions will be announced as well as the winner of the lucky number on the sheets given out Friday.

With the five distributing lines the management hopes to get 1000 books distributed in ten minutes. The book has been delivered in full and has been in the hands of the board since Friday.

WILL CLOSE BASKET BALL SEASON FRIDAY

Game With Harvard In Afternoon Will Finish Schedule—Won Close Game With B. U. Quintet Last Friday Evening

TONON STARS FOR VICTORS

The 1921 Basketball season at Technology will be brought to a close next Friday afternoon when the Varsity will meet the Crimson team of Harvard in Walker Memorial.

The Varsity showed wonderful improvement in their game with Boston University last Friday night. It is to be remembered that Boston beat Trinity and Trinity beat Harvard, so the dope is that Technology should win next Friday.

There will be no changes in the lineup, Landis and Boyer, holding down the forward lots, Bretting, doing the jumping, and Tillie Tonon and Gyp Blood doing the guarding.

Defeat B. U. in Close Game

The Varsity came through with a victory last Friday night and won from Boston University in the last few minutes of play by the score of 24 to 20. The University men led throughout the whole game, but a tremendous spurt on the part of Tillie Tonon and his team-mates brought victory to the Engineers.

WEST POINT PROFESSOR HERE

Col. Wirt Robinson, professor of chemistry in the United States Military Academy at West Point, has been visiting the Institute to investigate the methods of teaching chemistry in vogue and to acquire suggestions as to improvements which may be introduced at West Point.

SUNDAY IS SPENT IN WORK ON PRODUCTION

Final Rehearsal Reveals Perfect Production for this Year's Show — Dance Records Made of Song Hits

CO-EDS LEND A HAND

Last Sunday the entire company of "The Purple Dragon" devoted the day to the final dress rehearsal before starting on their annual trip to Northampton next Thursday.

DESIGNS MEMORIAL

Architectural Department Sets Problem for Students

Professor William Emerson, head of the Department of Architecture, has announced that he will set as a problem for the students the designing of a bridge structure suitable as a war memorial tribute to Boston's fallen soldiers.

The recommendation of Professor Emerson has been asked by Georgia Tech for men who are fitted for the positions of instructors in that institution.

Announcement is made to the Department of Architecture that all students who intend entering the competition for the exhibit which will be sent to the exhibition of the Beaux Arts Institute of Design in New York must have their designs completed by Friday of this week.

VIOLIN AND PIANO CONCERT PLANNED BY NEW DEPARTMENT

Charles E. Griffith, violinist, and Mrs. Wallace M. Ross of Brookline, pianist, will give a concert at the Institute on March 24, the social department of the T. C. A. announces.

INSTITUTE MERMEN CAPTURE NEW ENGLAND CHAMPIONSHIP

Swimming Team Takes N. E. I. A. A. Title for Second Time — Tank Records Broken in Fifty Yard Dash and Plunge

DARTMOUTH GETS FIRST TWO PLACES IN PLUNGE

For the second year in succession Technology won the New England Intercollegiate swimming title, when the cardinal and gray natators collected a total of 19 points in the tank meet held last Saturday night in the pool of the Boston Y. M. C. A.

GREENEST REPORTER GETS DIFFICULT JOB

Literary Criticism of Voo Doo Proves No Mean Task—Finds Phosphorous Rather a Problem to Classify

ADMIRE NUMEROUS PARTS

"Come here", said the Managing Editor to THE TECH'S greenest reporter as the latter came into the office. "I need a man of your caliber to criticize Voo Doo. They have another issue out at last. Don't say anything that will insult them. They are a bit touchy and think this Prom Number of theirs is great stuff."

So THE TECH'S greenest reporter provided himself with a copy at the cigar stand and proceeded to read it with the greatest care. He reached for some copy paper, pecked out a few words, and then threw the paper on the floor. However, he remembered that the Cleofan reporter had said, "Unconventionality is the spice of life. Oliver Goldsmith said so and also acted so", and as the greenest reporter hoped someday to become Cleofan reporter, he heeded these words.

Deciding that the unconventional thing in criticizing a leaflet is to begin in the middle, the greenest reporter turned to the editorial page. He noted that "Phosphorous is nothing if not chivalrous", but he could not help thinking that it might have been more correct to describe the editorials by saying, "Phosphorous is nothing if not non-committal".

FACULTY GIVES TEA DANCE IN WALKER ON THURSDAY

Student Hospitality Committee Will Receive and Pour

The first real social event of Junior Week comes next Thursday afternoon at three o'clock. It will be a tea and reception given by the faculty of the Institute. It will be held in Walker and the entire first two floors will be used.

The Institute mermen showed their best form of the season in again capturing first honors. Clarke Greene, Sid Biddell, Dick Skinner, Tubby Boyce, Fritz Ferdinand, and Trowbridge all shared in the point scoring. Greene took first place in the furlong while Trowbridge trailed him for second position. Skinner and Ferdinand took premier positions in the dive, Boyce plunged to a fourth in a fast field, and Biddell was awarded third place in the century. All in all, it was a large evening for the Beavers. Two local records were broken in the course of the meet. In the afternoon, during the trials, Stuart Damon, the Amherst flash, won his heat in the fifty, clipping a fifth of a second off his own tank record made in the same pool last year. Damon was hard pushed by Capt. Fitzgibbon of Brown, and only managed to beat out the Bruin by a foot. Damon's time for

DETAILS COMPLETE

Walker Entirely in Hands of Clubs for Concert

Walker Memorial will be entirely in the hands of the Combined Musical Clubs Thursday night. The Spring Concert, the first one to be held in Walker, promises to be the best that has ever been held. The management has sold the entire allotment of tickets and more cannot be had at any price. The offices of the various activities are to be decorated profusely and should show what can be done to improve the looks of Walker when the occasion necessitates. W. M. Thomson, General Manager of the Clubs has put forth every effort to insure the Concert a huge success.

Slight Change in Seating

The seating arrangement for dances will be similar to that used in the past. Those gentlemen with names beginning from A to M, will be found in the main hall, while those from M to Z, will be in the trophy room. It will be the duty of Mr. "Z" to look up Mr. "A." Applications for table reservations for five or more couples will still be received by letter to the office. Men are requested to attend to this as early as possible.

Serve Semi-Buffer Supper

Supper will be served in a semi-buffer fashion in the gym. The main
