

CREWS WILL TAKE TO SHELLS THIS WEDNESDAY

(Continued from page 1)

crews will be given an opportunity to practice on Sundays.

There follows a list of some of the fraternities which can boast of strong lineups of athletes, and the man who will probably be seated in the fraternity shells:

- Delta Kappa Epsilon: McCurdy, Burroughs, Bawden and Graham. Delta Psi: Pew, Bull. Delta Upsilon: Jakobson, Hains, Thulman and Greatwood. Lambda Chi: Byrne, Keppel. Alpha Tau Omega: Raymond, Woodruff and Rogers. Theta Delta Chi: Junid, Carpenter and Conant. Delta Tau Delta: Horn, Searles, Dunleavy, Davidson and Dallas. Chi Phi: Miller and Dickson.

An announcement has been made to the effect that non fraternity convains will be supplied for those fraternities which desire to have them, by the crew management. All arrangements for the regatta are being made by Manager Larry Davis, and therefore entry, which is open to every fraternity at the Institute, should be made through him.

STUDENTS MAKE REPORTS ON NATICK WATER-WORKS

Four Technology men have been chosen to investigate and report on the water-works of Natick. The work is to be done by W. B. McGorum '21, L. L. Willard '21, W. H. Witherell '21, and B. H. Moran '21.

It was discovered that the works were not delivering the proper output, and a committee was appointed by the board of selectmen to investigate. The four students named are residents of Natick and intend to secure data and prepare a report on the condition of the plant this summer. The pumps will be tested to compare the present duty of the machinery with the duty when installed, 20 years ago. Estimates will be made as to the size and type of machinery most efficient for the requirements. Figures will be prepared on costs of installation and operation, and floor space required. These reports are to be submitted to John Keyes, city engineer.

CAMP APPLICATION DUE

All men who expect to attend the summer training camps should have their applications in by the first of this week. They want to be sure that they will go, according to Col. J. C. Christian, in charge of the department of Military Science and Tactics. The exact date for closing the bookings has not been decided upon, but it is expected to be about that time, as it was last year.

Available April 1. in private detached house, large attractive room with board balance of term or longer. Steam heat, electricity. Telephone Brighton 3959.

Service, Style! Quality, Price! AN honorable, co-ordination of service, quality and price has for very many years established for us the confidence and esteem of a large New England patronage. The present will be your most important season to pin faith in us. Scott's quality will stand four-square as always. Business Suits for Spring Priced \$50 to \$85 Ready-to-Wear. Scott & Company LIMITED 340 Washington Street, Boston

FRESHMEN START OUTSIDE PRACTICE

The freshman baseball team started practice yesterday on the Institute diamond. A large number of men turned out and judging from the spirit shown the team should prove very successful. Battery practice has been held for the past two weeks under direction of Jack Kellar '21. Efforts are being made to secure a professional to coach the team. Practice will be held daily on the field at four o'clock. The following schedule has been arranged by Manager Phelps '24:

- April 16—Dean Academy at Franklin. April 23—Worcester Academy at Worcester. April 27—Andover Academy at Andover. April 30—Lowell Textile at Lowell. May 4—Wentworth Institute at home. May 7—Dartmouth Freshmen at Hanover. May 14—Providence College at home. May 21—Brown University 2nd at home.

WRESTLING COACH ACTIVE

Cyclone Burns, the veteran instructor of Technology's matmen, has never abandoned the game himself and is now laying plans to flatten Renato Gardini. There seems to be some question about Gardini's sincerity and if he should sidestep a will be arranged with Jimmy Londres.

GRIFFITH EX-STUDENT

(Continued from page 1)

Mr. Griffith stated today that "if the student body responds to this attempt to render them a new form of service in the way that Dartmouth men did, the efforts of Mr. Griffith and Mrs. Ross will be rewarded by having room 10-250 crowded."

Active in Endowment Drive

Mr. Griffith, a member of the class of 1918 (Sept.) at the Aviation Ground School at the Institute had the distinction of being named as commander of his squadron. Later after the ground school was broken up, and the Endowment Drive of the Institute was started in the fall of 1919, Mr. Griffith was called upon to "round up" the members of his squadron for subscriptions. He responded by turning in the second highest amount subscribed by any one of the similar squadrons, where solicitations were made.

Mrs. Ross Pupil of Foote

The successful presentation of a similar concert by Mr. Griffith and Mrs. Ross at Dartmouth College in January has been mentioned in previous accounts. This was by no means the first time Mr. Griffith and Mrs. Ross have played together. During Mr. Griffith's Senior year at Dartmouth, besides being president of the Senior Class, he was leader of the student orchestra. At this time he first presented, with Mrs. Ross, a series of monthly concerts at Dartmouth College. Since that time Mr. Griffith and Mr. Ross have played together. Mrs. Ross, who is well known in Brookline music circles as a pianist, is a pupil of Arthur Foote.

There is no admission fee to the recital. The time was determined upon as 4 o'clock after a long consideration of holding the concert in the evening. The time as determined upon was believed to be the most convenient for the majority of students as it should prove favorable for the great number of students who are accustomed to leave the Institute shortly after 5 o'clock. The recital will be over about 5:30 o'clock. The program is as follows:

- Sonata in A Major, for Violin and Pianoforte.....Foote Allegro molto Andante Allegro vivo Allegro quasi presto

- MR. GRIFFITH AND MRS. ROSS Prelude, Op. 35.....Mendelssohn Prelude, Op. 28, No. 1.....Chopin Prelude, Op. 28, No. 3.....Chopin Prelude, Op. 29, No. 6.....Chopin Prelude, Op. 28, No. 7.....Chopin Prelude, Op. 28, No. 23.....Chopin Valse Gentile.....Nevin

- MRS. ROSS Canzonetta.....Foote Cavatina.....Cui Guitarre.....Moszkowski

- MR. GRIFFITH Meditation.....Tschalkowski Caprice Espagnol.....Moszkowski

- MRS. ROSS On Wings Of Song.....Mendelssohn The Voice of Autumn.....Grant-Schaefer Introduction and Tarantelle.....Sarasate

MR. GRIFFITH

T. E. N. WANTS ARTISTS

Under the direction of R. K. Turner '23, publicity manager of the Tech Engineering News, the cover competition of the T. E. N. was inaugurated last night when the candidates reported at the T. E. N. office in Walker. The competition will run until April 23 at which time the successful candidates will be offered positions in the publicity department. The competition is not closed as yet, and Turner says that candidates may report any afternoon at the T. E. N. office. A general call for candidates for the publicity department will also be made in the near future by the Tech Engineering News.

VARSITY FIVE WINS

Close Season With Defeat of Harvard Independents

The varsity basketball quintet closed its season last Friday afternoon with a brilliant victory over the Harvard Independents, gaining the heavy end of a 23 to 19 score. After the beginning of the second half the game was never in doubt, the team giving an exhibition of what basketball is when teamwork is used. Though Harvard after the substitution of Fitts and Pallo gave the Varsity a scare for a few minutes, and ran up a score within a few points of the Engineers, still they could not overcome the previous lead and were still in the van when the final whistle blew.

The first half was rather slow and listless, neither five displaying much team work. Harvard gained a slight lead and held it right through this half of the game. The score at the end of the period was 10 to 13. Both sides showed a tendency to try to make long shots from the center of the floor. The second half marked a comeback for the varsity and inside of a very few minutes, they had piled up an eight point lead. Tonon and Boyer were the ones mainly responsible for the scores but they were only enabled to score by the wonderful teamwork displayed by the quintet as a whole. Several successful long shots were made in this period, Bill Boyer's shot from the middle of the floor proving especially spectacular. The team lined up as usual, Landis and Boyer, forwards, Bretting, center, Blood and Tonon, guards. Baldrich substituted for Landis in the second half.

The rifle team misses Godfrey Kearful this year. Last season he was one of the best shots on the squad. At present he is helping in the management of the range, as well as coaching some of the new candidates.

The University of Pennsylvania boasts of 400 crew candidates. However staggering as these figures appear at first sight, it should be remembered that quite a number of these men are substituting rowing for physical training, which is the bugbear of every undergraduate at Penn for the entire time of his stay at the University.

Steve Hord, Yale's crew captain took up rowing for the first time in 1919, but even then, only in the effort to strengthen his hand which had been wounded during an engagement in France, where he served as a marine. Rather quick work that—an inexperienced oarsman in 1919 and crew captain in 1921?

Two youngsters on the Technology freshman boxing team who are practically sure of places on the varsity next year are Al Lindsey and Bob Smith. The former tips the scales at 115 pounds, while Smith fights in the 125-lb. class. Both boys possess a world of speed, while Lindsey has a punch that would do credit to a man with a god deal more weight. Coach Nap Boutellier is counting on these two lads to come through with enviable records next season.

MANY DELEGATES TO ATTEND CONFERENCE

(Continued from Page 1)

was decided at this meeting that the representatives there should act as the executive committee and take charge of the conference. The executive committee sought to assemble the colleges having the most problems in common and asked each one to send four delegates to represent them on each of the following subjects: Student Government Problems, Athletics, Publications, and Dramatics and Musical clubs. It was also decided that any other college which had not been invited and felt that they had similar problems to discuss were at liberty to send delegates.

The executive committee is composed of W. R. Barker, M. I. T. '21, on student government; Rhea Dulles, Princeton '21, in charge of discussion on publications; Daniel B. Strickler

Let us keep your clothes regularly pressed. Special monthly rates to students. Suits called for and delivered. P. NADLER 31 PEARL ST. Camb. 7530-W

PROGRAM OF CONFERENCE

- Delegates arrive in Boston Friday morning, April 15, 1921. Friday 9 A. M.—12 noon. Registration and assignment of accommodations to delegates. Walker Memorial, Charles River Rd. Cambridge. 1 P. M. Meeting at which the outlined program of the conference will be explained to delegates. 2-5 P. M. Conferences in Walker Memorial. 6 P. M. Dinner for delegates at fraternity houses. 9 P. M. Formal dance. Saturday 9 A. M.—4 P. M. Conferences. 4 P. M. Meeting of all delegates at which the chairmen will give a summarized report of discussion in conferences. 7 P. M. Formal banquet.

general chairman; J. C. Teimosse, U. of Penn '21, in charge of discussion Cornell '21, in charge of discussion on athletics; R. W. Elasser, Dartmouth '21, in charge of discussions on musical clubs and dramatics. The publicity committee is composed of Carole A. Clarke, M. I. T. '21, Rhea Dulles, Princeton '21, and Charles Trompson, U. of Penn '21. It is planned to hold four separate meetings, one discussing the problems of student government, another athletics, another publications, and another musical clubs and dramatics. Each college has been asked to send a delegate to represent them at each of these meetings. The executive committee will act as chairmen of the meetings, and in order to prevent discussions of minor value they will have the power of limiting discussions so that only major questions will be considered.

The heads of the various activities will gather the data on the subjects which they wish to be brought up at the conference in connection with their activities. It has been arranged through the courtesy of Prof. Pearson and Mr. Prescott, to have this data written up in report form by the students in E 33. The Institute will be represented at the conference by R. H. Smithwick '21, on student government problems, W. W. Russell '22 on athletics, D. C. Carpenter '22, on publications, and Stuart Nixon '21, on musical clubs and dramatics.

The Technology entertainment committee will arrange for the accommodations and entertainment of the representatives, and is planning to have them as guests of the fraternity houses. On Friday evening, April 15, a formal dance will be held in Walker Memorial for the delegates. The committee is planning to accommodate about 140 couples and expect to make it second only to the Prom in importance. On Saturday evening, April 16, a formal banquet will be

GREYLOCK—A New Narrow ARROW COLLAR Cluett, Peabody & Co., Inc., Troy, N.Y.

LAW THE BOSTON UNIVERSITY LAW SCHOOL Trains students in the principles of the law and in the technique of the profession so as to best prepare them for active practice wherever the English system of law prevails. America's new place in international politics and commerce challenges the young American. He must equip himself for new world conditions with a knowledge of legal fundamentals. LAW—its principles and application to all business is almost as necessary to the coming business man as it is indispensable to the lawyer. Special scholarships (\$75 per year) are awarded to college graduates. Course for LL.B. requires 3 school years. Those who have received this degree from this or any other approved school of law may receive LL.M. on the completion of one year's resident attendance under the direction of Dr. Melville M. Bigelow. Several \$25 and \$50 scholarships open in this course. For Catalog Address HOMER ALBERS, Dean 11 Ashburton Place, Boston
