EDDY TO PRESENT FOUR CHALLENGES

Broad Experience and Study of World Problems Are Qualifications for Discussing "The Challenge of The Age"

COMES HERE FROM PRINCETON

George Sherwood Eddy in his addresses to the Faculty and student body of the Institute next Tuesday, Wednesday, and Thursday afternoons at 4 o'clock in the main hall of Walker Memorial is prepared to present four challenges to the American student as the subdivision of his main topic, "The Challenge of The New Age." Eddy will lecture at Princeton on Monday and Tuesday, and will come here directly from there.

The four divisions into which Mr. Eddy will divide his address are the "Challenge of the Present World Situation," the "Challenge of the Social and Industrial Problem," the "Challenge of Present Moral Issue" and the "Challenge of a Rational Faith for the Modern Man." Mr. Eddy's world-wide experience and his personal contact with many situations from which answers to the above problems might be deduced, gives him the ability to treat the questions in the proper manner.

Investigated Industries

Eddy was with the British and American army on the front during the war and afterwards his travels among the hunger-stricken peoples of the European nations, gave him a clear personal viewpoint of the conditions.

Eddy attended the Industrial Congress at Portsmouth, England; he studied the industrial problems in France and Czechoslovakia; in Germany he was engaged in work with German students in investigating the industrial situation. In this country

FRESH LEADERS MEET TO PLAN SPRING ACTIVITIES

The officers and section leaders of the freshman class will meet this afternoon at five o'clock in room 10-275 to start preparations for the '24 spring activities. President Melville Taylor has announced no definite program for the term, preferring to first secure the sanction of this afternoon's conference. Probably the most important subject under discussion will be a big freshman banquet, which is several months overdue.

INSTITUTE COMMITTEE RATIFIES ELECTIONS OF NEW CLASS EXECUTIVES

Juniors Name D. F. Carpenter to Be President—
Was Editor-in-Chief of Technique 1922

The results of the elections which were held on Tuesday by the three lower classes, and which have been approved by the Institute Committee, have in many cases upset all previous conjectures, due in part to the large number nominated for most of the offices that were to be filled. True to the custom which has been in vogue, namely, that of electing the editor-in-chief of Technique president of the Senior Class, Donald F. Carpenter '22, has received this honored position. The number of votes cast by the Class of 1922 was 457; a count of the returns from the Class of 1923 showed that 476 ballots had been cast; of the present freshman class, 378 voted.

For the Class of 1922, the following officers have been elected: President, Donald F. Carpenter; Vice President, Duncan R. Linsley; Secretary, Abbot L. Johnson; Treasurer, William C. Roberson; Institute Committee, Henry J. Horn, Jr., and Thomas H. Gill; Executive Committee, L. Samuel Vadner and Allen S. King.

Class of 1923: President, Chester S. Taylor; Vice President, Robert P. Shaw; Secretary, James H. Evans; Treasurer, George H. Rowen; Institute Committee, Arthur J. Westcott and Daniel C. Sayre; Executive Com-

mittee, Harold J. Flanagan and Palmer C. Putnam.

Class of 1924: President, Arthur J. Kemp; Vice President, Daniel J. Keck; Secretary, Helen W. Hardy; Treasurer, Wilmot G. Peirce; Institute Committee, Lynn P. Marsh and Earle S. Bates; Executive Committee, Charles M. Phelps and Gordon F. Eaton.

Donald F. Carpenter, who was elected president of the Class of 1922

MUSICAL CLUBS BANQUET BRINGS SEASON TO CLOSE

ELECT NEW OFFICERS FOR 'INST. COMMITTEE

D. F. Carpenter President for Coming Year—Final Reports Submitted by all Outgoing Committees

CLASS ELECTIONS RATIFIED

The old Institute Committee gave way to the new in the meeting held yesterday afternoon in Walker, and is now an organization of the past. D. F. Carpenter '22, who has just been elected next year's Senior class president, was made president of the incoming committee and will take the chair with the rest of the new officers when the Institute Committee meets again April 22.

H. J. Horn Jr. '22, president of this year's Junior Class was re-elected vice-president of the committee. C. E. Brokaw '22 was elected treasurer, his experience in that line of work as treasurer of the M. I. T. A. A. this year making him a logical candidate. T. H. Gill '22, just elected to the Institute Committee by his class, was selected to act as secretary. H. M. Shirey '22 and C. C. Taylor '23, were elected to form the remainder of the Executive Committee of the organization, the above men forming the body of it. Shirey has just been elected chairman of the Walker Committee and Taylor is president of next year's Juniors.

Elections Ratified

Last Tuesday's election results were presented to the Committee by A. D. Harvey '21, chairman of the Election Committee, and were ratified. Because of a slight discussion among men of the Institute over Senior Class Day elections and the class elections, a motion was made by Harvey that a committee be appointed to look into elections. This motion was unanimously passed. The Musical Clubs election of freshman assistants, the Voodoo elections, the T. C. A. elections, the M. E. Society elections, and the Walker Committee elections were then also ratified.

It was the first time that the Walker Committee elections had been

Pick Leaders for Next Year—McConnell '22 Heads Glee Club

PROPOSE NEW SOCIETY

Riverbank Court was the scene of the annual banquet of the Combined Musical Clubs and marked the last gathering of the organization this season. S. P. McConnell '22 was chosen leader of the Glee Club and J. W. Church '22, assistant; J. L. Lietcy '22 will lead the Banjo Club for his second year and will be assisted by A. S. Redway '22; the Mandolin Club chose W. S. Brackett '22 as their head and L. W. Carroll '22 assistant. A plan for the formation of a Musical Clubs Society similar to Masque in Tech Show was proposed, and amendments to the constitution were approved. The election of the four Sophomore managers for next year was announced, and the men will be

WHO'S WHO at Technology

The management of the track team is:

Coach Frank M. Kanaly, Park Road, Belmont, Tel. Belmont 885-M.
Captain: William K. MacMahon, 6 Walker Place, Atlantic 71. Tel. Quincy 1913-W.

Manager: T. M. Taylor, 532 Beacon St., Boston, Tel. B.B. 54057.

First Assistant Manager: Marshall N. Waterman, 39 Bay State Rd., Boston, Tel. B. B. 55921.

Second Assistant Managers: Philip Herrick, 203 Bay State Rd., Boston, Tel. B. B. 51369; George Swartz, 400 Charles River Rd., Cambridge, Tel. Cam. 52341.

Freshman Manager: Boynton Fletcher, 532 Beacon St., Boston, Tel. B. B. 54057.

The Managing Board of THE TECH consists of:

General Manager: Albert J. Browning, 1377 Commonwealth Ave., Boston, Tel. Brighton 1768-W.

Editor-in-Chief: Willard B. Purinton, 39 Bay State Rd., Boston, Tel. B. B. 55921.

Treasurer: Charles T. Jackson, 526 Beacon St., Boston, Tel. B. B. 13543 75.

Acting-Managing Editor: George Henry Southard III, M. I. T. Dormitories, Cambridge, Tel. Cam. 57077.

Advertising Manager: Walter B. Murdoch, 400 Charles River Rd., Cambridge, Tel. Cam. 52341.

Circulation Manager: Egon E. Kattwinkel, Charlesgate Hotel, Boston, Tel. B. B. 2376.

CALENDAR

Friday, April 8

4:00—Technology Women's Association tea, Boston Students' Union club house.

5:00—Bible Study discussion group, room 2-282.

5:00—1924 officers and section leaders meeting, room 10-275.

5:00—M.I.T. Press Association meeting, faculty room, Walker.

6:30—Advisory Council meeting, Engineers' Club.

8:00—Civil Engineering Society dance, north hall, Walker.

Saturday, April 9

3:00—T.A.C. dance, main hall, Walker.

Sunday, April 10

7:15—T.C.A. Sunday meeting, faculty room, Walker.

Monday, April 11

5:00—Intercollegiate Conference Committee Meeting

5:00—Senior Class Day Committee meeting, faculty room, Walker.

Tuesday, April 12

4:00—Sherwood Eddy talks, main hall, Walker.

7:30—Junior Freshman smoker, main hall, Walker.

Wednesday, April 13

4:00—Sherwood Eddy talks, main hall, Walker.

Thursday, April 14

4:00—Sherwood Eddy talks, main hall, Walker.

7:30—Radio Society meeting, north hall, Walker.

8:00—Faculty Club meeting, faculty dining room, Walker.

MANNING PICKS CREWS

Tentative Arrangements of Varsity Crews Announced

With the naming of the Varsity eight, composed throughout of the men who pulled on the Cardinal and Gray sweeps of last year's first crew, and with the "J. V.'s." third Varsity and first freshman eight also tentatively picked, Technology's oarsmen look forward to speedily getting into good form.

Coach Pat Manning announced the selections on Wednesday, but stated that the make up of the crews has by no means been finally decided upon. In fact, with the preliminary seating of the oarsmen not yet decided upon, it is quite certain that numerous changes involving the shifting of the men between the various boats, will

(Continued on page 3)

REDEEM SIGNUPS NOW

Last Chance Presented To Get Technique '22

Signups will be redeemed and books given out for the last time today, from 12 to 2 o'clock, and tomorrow from 11 to 1 o'clock in the main lobby. After this date all signups will be worthless even though paid in full. Those men who have lost their paid-in-full signups will be taken care of in the Technique office at the end of next week. Those men who have had their names placed on the waiting list of men desirous of obtaining copies without signups are requested by the 1922 Board to get in touch with T. N. Berlage at the Technique office as soon as possible after April 9, as only a limited number of books will be on hand for distribution.

TO DISCUSS EDDY MEETINGS

"What Should Eddy Meetings Mean to Tech" will be the theme of next Sunday night's meeting at 7.15 o'clock in the Faculty room under the charge of C. A. Brantingham '22, W. P. Purinton '22, D. R. Shotwell '22, Felix Stapleton '21, and Mr. C. P. Shodd, student secretary for New England, will speak for five minutes each, after which the meeting will be open for general discussion.

Mike And Stedman Eager For Fray

"I'm willing to race Stedman any time or anywhere that he wants to race, for a \$25.00 purse". This is the latest statement from Mike Hoar, victor over one Stedman, attendant in Walker Memorial, in the race for the purse of \$5.00 offered by Coach Boutlier of the boxing team. "I'll give him three weeks to train, too, if he says he needs to train". Mike was working on the track at the time of the interview. As the reporter departed across the oval, Mike shouted after him: "Tell him that I'll let him hold the gun in his own hand and fire the gun, if he wants to."

Stedman, when interviewed, averred that he would like to have time in which to train. "You tell him that I'll race with him on Field Day for a purse of \$10.00. That will give me time to train in earnest," he said, and as he started down the main stairway of Walker he added as an afterthought "I'll put the gloves on with him if he wants to".

CONFERENCE A UNIQUE COLLEGE ASSEMBLY

TELLS OF IMPORTANCE OF DEVELOPING DYES

Dr. Herty Discusses the Industry at Chemical Smoker

Dr. Charles H. Herty, past president of The American Chemical Society and present editor of "The Journal of Industrial and Engineering Chemistry," addressed 200 members of the Chemical Society Wednesday night upon the importance of the development of a strong dyestuff industry in the United States.

"It is a fight to the finish in the organic chemical industries of the world," said Dr. Herty. "Germany is determined to maintain her pre-war supremacy in organic chemistry and will strangle us if she can." The same substances which are the basis for most of our dyes are the basis also of high explosives. In the next war, if there be one, the country with the best developed dyestuff industries will be in by far the most strategic position, according to Dr. Herty.

Dr. Herty urged his hearers to write to their Congressmen and urge the passage of immediate adequate protective measures and suggested that the Chemical Society pass resolutions upon the subject to send to Congress.

All Sections of Country to Be Represented in Gathering—Suggested by Dean Burton Last November

MAY BE HELD ANNUALLY

That the Intercollegiate Conference to be held at Technology April 15 and 16 is the first assembly of its kind to be held at any college, is the assertion of the Chairman of its Executive Committee. It is estimated that this will form the largest gathering and will represent more sections of the country than any previous conference of its kind. 130 delegates are expected from every part of the country—Maine to California, and from Wisconsin to Louisiana. All different lines of thought will have their exponents, the scientific and technical as well as the literary and commercial.

The idea of the Conference originated with Technology. Dean Burton made the suggestion before a meeting of the Alumni Council and it was taken up by the Institute Committee last November. A meeting was called of representatives from Princeton, Cornell, Dartmouth and the University of Pennsylvania, with the Technology representatives. This convention met at the University Club, New York City, December 22, 1920. There was some discussion as to the place of
