INTERCOLLEGIATE CONFERENCE

WITHIN a few days, delegates representing thirty-five colleges east of the Mississippi will assemble here for the first Intercollegiate Conference on Undergraduate Government.

To the students here, it may seem that the Conference will have little bearing on them, and that they need take little interest in it. Of course, it will be possible for a few Technology men to be present at the meeting as our representatives.

This is the first Conference of its kind, and it is a signal honor that it should be held at the Institute. It will be a great thing for Technology, and we should make the most of our opportunity.

THE ELECTORAL COMMITTEE'S NEGLECT OF DUTY

THE members of the Technique electoral committee seem to be so utterly devoid of a sense of duty that their attendance at the sessions of the committee is subject merely to a momentary whim.

THE M. I. T. PRESS ASSOCIATION

THERE has been a long felt need for greater publicity for Technology. Any number of things have occurred within our walls which have never appeared in print, and about which many of us are ignorant.

An organization called the M. I. T. Press Association has recently been formed by undergraduates connected with publications, to tackle this problem. For it is a problem to secure proper recognition from editors of many papers and periodicals.

COMMUNICATIONS

TO "THE TECH": Your interesting editorial of March 25, on "A Divergence of Standards at the Institute" seems to indicate the possibility of a misunderstanding and of unintentional unfairness--from my point of view--to the important body of our students who come to us directly from secondary schools.

DOCTOR TRYON LECTURES ON ANGLO-AMERICAN FRIENDSHIP

The British Empire Club was treated to an interesting talk by Dr. Tryon at their meeting in Walker last night. The topic was "British-American Friendship." Dr. Tryon was a member of the American Commission which was appointed in 1913 to act with a British and a Canadian commission in preparing plans for the celebration of 100 years of peace.

SHERWOOD EDDY PRESENTS FIRST OF HIS ADDRESSES AT 4 O'CLOCK TODAY

(Continued from page 1)

the Philips Brooks House, Mr. Eddy will meet the foreign students of the Institute and of Harvard.

At 4:00 o'clock Thursday the final Eddy meeting will be held in the main hall of Walker.

Dr. Eddy is staying at the home of his brother, Mr. Brewer Eddy in Newtonville. Hence at the meeting of the executive committee of the campaign last Friday evening, it was decided that in order to conserve Dr. Eddy's strength and energy, and also to give him as much time as possible at the home of his brother, requests of individuals and organizations to meet Mr. Eddy would have to be refused.

At the meeting Sunday evening in the faculty room of Walker, 36 men were present. The subject was "What the Eddy Meetings Mean to Technology." Clarence R. Shedd, Sam Hocking, and Mr. Ziegler of the Advisory Board of the T. C. A. addressed the men.

It is a point of interest that Dr. Eddy has been doing all of his work both in this country and abroad at his own expense.

In connection with the foreign student's work, Mr. F. W. Price of Yale, Mr. Daniel Fu of New York, and Dr. Yuasa of Chicago are at the Institute. Mr. Alfredo Gonzalez, a student at Boston University is also assisting.

There will be no collection of any kind, nor is any of the T. C. A.'s money solicited in receipt drives to be used, but a special fund has been donated by interested Alumni to finance the Campaign.

NOTICES

for Undergraduates

Freshman Class meeting will be held at 1 o'clock Thursday, in room 10-250.

1924 Section Leaders meet Wednesday afternoon at 5 o'clock in room 10-250.

An error was made in the last issue when it stated that P. C. Putnam '23 won his numerals in cross country his freshman year.

Tuesday, April 19, being a legal holiday in Massachusetts, the exercises of the Institute will be omitted.

The T. C. A. Bible Class scheduled for 5 o'clock today will be omitted, on account of the Sherwood Eddy meetings.

Tech Show Posters may be had by calling at the office any night this week after 5 o'clock.

The M. I. T. Press Association meets at 5 o'clock tonight in the library of Walker. Division chairmen, executive committee, correspondents and other interested men are asked to be present. I. W. Litchfield '85 will speak.

do You own C.B.&Q. Joint 4's? If you do, you will find it to your advantage to read our special letter on this issue. Send for a copy today. Ask for letter TA-5. Coburn, Kittredge & Co. Investments. 10 State Street Boston 9, Mass.

STUDENTS' UNION HOST TO TECHNOLOGY WOMAN'S ASSN.

Mrs. Osborne, of the Boston Students' Union, entertained the Technology Woman's Association at a tea last Friday at the Union clubhouse, 81 St. Stephen St. A short meeting at which Mrs. C. W. Sawyer presided was held to discuss the changing of the name, as there are eight other women's organizations at Technology.

About 20 members attended. The Association now has about 215 members, representing 21 States, and five foreign countries. There are approximately 50 active members, living in and around Boston.

ARCHITECTS TO ENTERTAIN

The Architectural Society is planning an entertainment to be held in Rogers' Building the evening of April 27. The festivities will start with a minstrel show followed by the feature of the evening, the annual spring exhibition. This will consist of humorous drawing by members of the society and will be conducted with all possible mock gravity.

G. S. Holderness '22, is in charge of the minstrel show, the showing of drawings will be looked out for by A. L. Williams '21, while E. R. Harmon '21, will supervise the arrangements for the dance.

Let us keep your clothes regularly pressed. Special monthly rates to students. Suits called for and delivered.
