TECHNOLOGY'S RECONSTRUCTION UNIT

THE sending of American university students to France this summer to aid in the reconstruction of the devastated regions of that country is an act which will be of incalculable permanent benefit both to France and to the United States, and to their future amicable relations.

The birth of the American Students Reconstruction Association means much for the "entente cordiale" between France and American architecture as it will enable students of proven ability from the universities and colleges throughout the United States to visit France yearly during their vacation months, to live with the French people, and there to secure training under the directions of some of the most famous architects in the world.

It is an honor to the Institute to be able to send men over to France this summer, and the project deserves the hearty support of those who are interested in the promotion of friendly relations with our erstwhile partners in arms, and of those who are interested in seeing Technology active in a project of so great possibilities.

HOLMAN TEAM WILL PLAY IN DORM BASEBALL LEAGUE

Schedule Announced to Include Her in Competition

On account of difficulty in obtaining a diamond, the dormitory baseball league has not had any games to date.

Holman hall of the dormitories has, at last, formed a team and definitely decided to compete in the dormitory baseball league.

The new schedule which has been worked out, including Holman, is as follows.

Tuesday, April 26, Runkle vs. Atkinson.

Thursday, April 28, Holman vs. Nichols.

Tuesday, May 3, Atkinson vs. Nichols.

Thursday, May 5, Runkle vs. Holman.

Tuesday, May 10, Atkinson vs. Holman.

Thursday, May 12, Runkle vs. Nichols.

Tuesday, May 17, Championship game.

Thursday, May 19, Championship game.

The two leading teams of the league at the end of the above schedule will play off the championship, the best two out of three games, the game between these teams in the regular series counting as one on the championship.

In as much as bad weather prevented any games last week, there have been no games between halls as yet. The first game is to be played this afternoon, weather permitting.

SOCCER MEN START PRACTICE

Association football practice has started for the spring, and from now on all varsity men will be expected to report every afternoon. As there are no games scheduled for the spring, the practice will be informal, and all those interested in the game at all are urged to come out. The practice will probably help to get better team work, the lack of which was the principle weakness in the team last fall.

By vote of the Faculty, condition examinations in second term subjects are to be held this year in June, and not in September.

A. L. Merrill, Secretary.

CORNELL ADOPTS HONOR SYSTEM

(By E. I. N. A.)

The adoption of the honor system marks the introduction of student government in one of the most important phases of college life at Cornell. May 2 has been set as the definite date upon which the system will be inaugurated.

Spring hums, which constitute one of the oldest Dartmouth traditions, taking place during the latter part of the year, will start next week. As in former years, the Seniors will sit on the Senior Fence, with the Juniors on the opposite side of the Dartmouth campus in front of Dartmouth Hall.

The following, entitled "An Impression" is from The Massachusetts Collegian of M. A. C. "One of the most lasting impressions, that a delegate to the Intercollegiate Conference at M. I. T. bore away with him must have been that of the increasing spirit of co-operation and brotherhood among American Colleges.

The Golf Team will not meet Harvard April 30 as scheduled, the match having been postponed to May 13, to be played at the Brae-Burn Country Club.

COMMUNICATIONS

To the Editor of THE TECH:

In a recent issue of THE TECH there appeared in the write-up of the Musical Clubs banquet, mention of the new society to be formed, and in connection with this was cited as a similarity, the Tech Show Society of Masque. There was, unfortunately, an erroneous impression created by the statement "the government of the Show by Masque," and it is to this that we wish to take exception.

It is sincerely hoped that this communication will clear up the popular opinion of this honorary society, especially when a new one is about to be launched on the same principles, that is to serve as a reward, a means of keeping up and promoting interest in the activity, and as a source of criticism for the management before it puts its ideas into practice.

(Signed) STUART NIXON.

To the Editor of THE TECH:

In your issue of Friday, April 22, there appeared a criticism by the Lounger of the manner in which the Walker Memorial is being run.

The Walker Memorial was constructed for a student activities building as well as a recreation center for those not inclined toward the former. The Library, Faculty, and Alumni Room, and East and West Lounges, are open all during the day until 5 o'clock to those who wish to read, study, or play games.

We all like to read but where would Tech stand in the collegiate world if everyone of the ten like the twenty, chose to sit in the Library and read during their spare time and from 5 to 6 o'clock?

All that I ask of the writer of the Lounger and the offended twenty, is that they remember the purposes for which the Walker Memorial was built and then be reasonable.

FRESHMEN CREWS FAIL TO SHOW FAST TIMES IN RACES

Technology's Cub oarsmen took a double defeat yesterday afternoon when Brown and Nichol's first and second fours won from the freshman fours.

COLOR AND PEP LIVEN WALKER AS DORM DANCE HOLDS SWAY

Last Friday evening, the main hall of Walker was the scene of another one of the enjoyable dorm dances. Lively music and a gala throng contributed to the liveliness of the occasion.

The patronesses for the evening were Mrs. L. F. Hamilton and Mrs. J. R. Jack. The next dorm dance will be on Friday, May 13.

COSMOS GIVE DINNER

Many Present at Annual Banquet in North Hall

Around 100 guests and members were present at the Cosmopolitan Club dinner held Saturday evening at 6:00 o'clock in the north hall of Walker Memorial.

Among the guests present were Dean Burton, Professor Kent of B. U., Professor and Mrs. Lipka, Mrs. Talbot, Professor and Mrs. Passano, Mrs. King, Professor and Miss Spofford, Miss Leary, and Mr. and Mrs. Bigelow.

FRESHMAN BOXERS TIE IN MATCHES WITH ST. JOHN'S

In five matches with St. John's School of Manlius, New York, the freshman boxing team broke even in a 3-3 tie, completing a short season which has included two 4-1 victories, over the Cambridge Y. M. C. A. and Andover, and no defeats.

In the 115 pound class, Al Lindsey knocked out Pemberton. The first round Pemberton put up a clever defense but was caught off his guard in the second. Charley Kuhn lost in the 135 class to Lenhart, but Ed Moll came through with a decision over Stew Hollingshead after a fast clean fight, in the 145 class.

YE PRIVATE DORMS DANCE NEXT FRIDAY

Ye dormitory dwellers will soon be swaying to the terpsichorean tunes of jazz. There is going to be a private dorm dance, for dorm men only, next Friday night.

Ye denizens of the dorms will trot out "the best . . . in the world" for the occasion to witness the fun. Shorty Schumacker and Lanky Ray will be the long and short of it, and will add much to the fun.
