TEA DANCE IN WALKER BY SCOFIELD

T. G. SATURDAY AFTERNOON

A tea dance was held last Friday evening in the main hall of Walker Memorial, for the benefit of the Cosmos Club. An orchestra furnished the music which was enjoyed by the members and guests who were present.

A large number of students and professors attended the dance. The atmosphere was gay and the music was in harmony with the dance.

The dance was a great success and the members of the Cosmos Club are to be congratulated on their efforts in raising funds for the benefit of the club.

FACULTY CLUB DINES WITH PROFESSOR ROBBINS

Dean Burton and Professor Porter, who were on leave from the Institute, dined with the members of the faculty club at the Faculty Club's annual dinner in Walker Memorial. The guests included members of the faculty and students who were not present.

The dinner was a success and the guests were all pleased with the food and the company.

HUNDRED NEW BOOKS IF MISING ON RETURNS

Many and frequent are the reports of books missing on the shelves of the library. The policy of the library is to replace all books that are lost or missing. This is done by the library staff and the books are replaced promptly.

Several cases of missing books have occurred recently. The library is working hard to find these books and replace them as soon as possible.

Railroad tickets are connected with the hotel. The railroad tickets can be purchased at the hotel and are valid for the next train. The hotel also offers a discount for purchase of railroad tickets.

TECHNICAL NEWS

The latest issue of the Technical News is available at the library. The news includes articles on current events, technical developments, and other relevant topics.

FACULTY MEMBERS RECEIVE FREE FLIGHTS

Four members of the electrical engineering department received free flights on the new Curtiss flying boat at the Boston Aviation Company. The flights were arranged by the company and were a great success.

The free flights were arranged to promote interest in aviation and to encourage students to consider careers in the field of aviation.
