Material Has Been Distributed to Students for Monday's Classes—Juniors Will Get Theirs Monday

COMPLETE BEFORE OCTOBER

Registration for the fall term be- gins Wednesday, when material will be distributed to the sophomores of Freshmen. This work is now being carried on in order to expedite process so that there will be no lagging in the court list. The plan is formulated by the University printing department and the superintendent of print in charge. The term, which will last about 44 weeks, will be on the modular system. Each student will receive a manual for each subject, with the aid of which he will be able to study at his own pace.

Material Distributed at Classes

The literature for the students of Science, Engineering, and Medicine, who will be attending classes today, has been distributed to them. It will be in the form of a handout, which will be handed out at the start of each class. Students who did not take the literature will be able to receive it from the course instructors or their office.

N. E. INTERCOLLEGIATES WILL OPEN HERE TODAY

Technology and Boston College Favorites—Dan- well Will Find Little Competition—Baker Brothers Favored in Distances

MEET WILL FEATURE MANY CHAMPIONS

Field will be the scene of the New England Intercollegiates today and tomorrow. The trials of the meet will be run off today, leaving all the final events for tomorrow. New England college teams will enter in the athletics meets. Those institutions that are to participate in the meet are: Amherst, Bates, Brown, Colby, Holy Cross, Mass. Aggies, Middlebury, Massachusetts Institute of Technology, New Hampshire State, Trinity University of Maine, Wesleyan and Williams, and Wesleyan Academy.

AWARD INSIGNIA AT ATHLETIC BANQUET

Dean Burton, Kennedy, Dr. Rowe and Dr. Rockwell Speak—Spring Meet Wins Wisconsin and Cope—Russell Trottmann

SPECIAL AWARDS OF "T"

The first athletic banquet held by the M. I. T. S. A. was given in the main hall of Walker Thursday. There were about two hundred men in attendance and twenty in the lower hall. After the meeting was over, Bill Insel, as toastmaster, presented the Dean, who spoke on the history of athletics at the Institute. Dr. Burton divided this history into three periods. The first dealt with the W. K. Lawrence banquet, the second with the New England Intercollegiate meet and the third with the present system. After the speech was over, the guests were served dinner. After dinner, the speeches were made. Dr. Rockwell, Dr. Brainerd, and Dr. Trottmann spoke on the future of the Institute of Technology. The speeches were made in the order of their degrees. Dr. Rockwell spoke next, telling the audience that the future of the Institute was in the hands of the students. He said that the Institute was going to be a place where men could learn to think and to work. Dr. Brainerd spoke next, telling the audience that the Institute was going to be a place where men could learn to think and to work. Dr. Trottmann spoke next, telling the audience that the Institute was going to be a place where men could learn to think and to work.

Technology's Crews Meet Crimson on the Charles Tomorrow

Afternoon—Broken Oars Causes Defeat by Union Boat Club

FRESHMEN BEATEN BY HARVARD '24

Technology will bring its crew to the Charles this morning with a record of 2-5, a 1-7, and a 2-7. The Charles, both the varsity and junior varsity, are expected to win. From the point of view of the Charles, the outers are expected to be the most exciting. This is because in the last year or two the Charles has been a more level course.

Radio Club Elects

New Officers Announced at Final Meeting of Year

The new officers for the coming year were announced last night at the meeting of the Radio Club. They are: President, Edward Bruce '24, and Secretary, John Chamberlain '24. The club has been active for the past year, and the meeting was held to elect new officers. The club has been a source of support for the Radio Club, and the new officers will continue the good work of the old officers.

Radio Club Ejects

A student at Technology without a slide rule is like a boat without a sail. The new officers of the Radio Club have decided to adopt a new rule for the coming year. They have decided that no one who is not a member of the club shall be allowed to use the club's equipment.
