As Played at the Selwyn Theatre, N. Y.

Next Week: "THE HOUSE OF GLASS"

Fall Track Enrollment of 115 Breaks Record

The number of applicants reporting to Frank Kanary for varsity and freshman cross-country, track, field and football teams now totals 115. In the top of last year's track and field team 138 varsity men were entering. But with this year's roll, it is evident that a most promising beginning has been made, with the season wide and large.

The candidates are distributed as follows: 41 varsity and 15 freshmen cross-country, 27 varsity track, 13 freshmen track, and 11 freshmen football.

The cross-country season will be divided into four grades for the normal run at Belmont tomorrow. Freshman and high school men will cover three miles and the varsity the full course of six miles. The pace will be very slow as the competition is not expected to be great. However, in addition to the teams of that high school, one team composed of fathers, with the daughters in the stands, will be picked for the fun of the afternoon.

Only two men from the class of '25 have turned up so far this season is very flattering to the players.

The first real test will come on October 15, when the squad will meet at Franklin Park.

PRACTICE FENCING TODAY

The officer of the club have scheduled the first practice meet for today in the Managing Board room. A practice game will be played between two teams of the squad tomorrow afternoon, and the first outside practice will be on October 15 with a league team. On October 27 the elevens will meet Harvard.

COSMOPOLITAN CLUB CONVENES

A meeting of the candidates for the Football Team was held at Gear's Gymnasium Wednesday afternoon. Twelve men reported today, and Frank Kanary, who was a promising freshman last year, returned to the Institute. However, in addition to the candidates for varsity and freshman teams, Robert Collins, who is returning from England, has come in, and the presence of a majority of last year's aggregation, Atahualpa, de la Souza, de la Marcora, F. de Martino, J. de Martin, Barcelona and Freeman, who have already come out, is expected that former captain Luykx will appear soon. Benton, who was cap-

TIREX PORTABLE CORD

Tirex will increase portable tool efficiency by reducing cord troubles and renewals to a minimum. It stays on the job from four to five times as long as any fabric covered cord on the market.
