STEAMFITTER FITZGERALD
REPORTED DANGEROUSLY ILL

Monday afternoon one of the Insti-
tute employees, a steamfitter by the
name of Fitzgerald, was seized with a
hernia. First aid treatment was
administered at the clinic, and he
was rushed to the Massachusetts
General Hospital in one of its own
ambulances.

Rumors had it that the illness was
serious. The following morning Dr.
Moran has been informed that
Fitzgerald has not yet made his
appearance. It is reported that
he was not the worse for wear
under the circumstances.
