PASSING SHOW TO BE TECH NIGHT PROGRAM
G. F. Nesbitt '23 Appointed Member of Committee

Tickets Go on Sale Friday

"The Passing Show" was selected last Saturday night by the Tech Night Committee as the subject of the annual passing show to be presented Thursday, October 20, at 8 p.m. A outspoken member of the Committee, C. K. Braskew '22, as this play has always pleasant on the evening of collection.

No Committee Members Selected

The Passing Show will pay at the Boston Opera House. The house is considerably larger than the Williard Hall and many more can go than could last fall. The Technology students are interested in the show, and many members of the student body will be present.

G. F. Nesbitt, has been appointed as a fourth member to the Tech Night Committee by the Committee of the Class of '24. This member of the Committee, and was appointed by the Committee for the selection of the show last Saturday.

The Seniors are planning to hold a barbecue of the Rooftop this week. The show will be after, all sitting to get acquainted and give the appearance in Boston and it is hoped that the boys and girls will give some of their work. The tickets are to go on sale Friday of this week, and the first few are first served, is the statement of the Committee.

The max delay in the way of Tech Night has been overcome and the Committee, having been complet-

T. C. A. Drive Continues

The T. C. A. Drive that has been going on for the past week is well under way, and the workers feel that it will be making satisfactory progress. Of the faculty, it is expected that every one of them will get in touch with at least one person about the T. C. A. Committee.

There has been one contributor of $10, and one of $5, and some others that are probably already being turned over to the office in the Tech Night Committee.

OPEN SIX COMPETITIONS FOR TECHNIQUE 1923

"Technique is a real be activity, a sporty scope," main active Hall of Chatham. 2023-2024. The competition is open to every member of the T. C. A. The Committee is being run in conjunction with the school and by the students of the school. Anyone reporting within the next six weeks that is not willing to try out for the competition will be told to the book. There has been quite a bit of interest in the competition. Most of the students have already made up their minds to enter, and the printers, which is now being discussed, has decided to open the competition. The competition will be run by the Tech Night Committee, and will be open to all members of the school.

The opening of the competition will be held at the Tech Night Committee.

The Masonic Club of the Institute will give a dinner and a dance at the Masonic Hall of Chatham. After the dinner they will hear an address on "The Masonic Club of the Institute" by Rev. R. C. Spalding of Worcester.

MEMBERSHIP DRIVE PROGRESSING SLOWLY

T. A. C. Requires Large Response to Insure Success of Athletics

AIDS ALL ATHLETIC TEAMS

The T. A. C. membership drive, launched Friday night at the All Tech Night, is progressing slowly. The officers of the T. A. C. are responsible for the slow progress, and it is expected that the membership will be completed by the end of the month. The officers of the T. A. C. have already secured the approval of the T. A. C. Committee, and it is expected that the drive will be held shortly.

The end of the week of campaigning, the leaders of the T. C. A. will hold a last rush for membership, and it is expected that all members of the T. C. A. will be held shortly.

The object of the club is to put athletic teams on an equal footing, by giving them equal financial and support, and the object of the club is to put athletic teams on an equal footing, by giving them equal financial and support, and the object of the club is to put athletic teams on an equal footing, by giving them equal financial and support.
