CIVIL ENGINEERS MAKE PLANS FOR NEAR FUTURE

About 300 men have already joined the C. E. Society and in the remaining time of the year it is expected that more will join in order for themselves the opportunities which the society offers.

A trip to the Boston Bridge Works will be contemplated for the near future, and will be of special interest to all members. At the present time plans are being made to have a visit from Mr. J. C. Newell of the Bridge Works to come out for the society.

All interested are requested to join the society by Wednesday, Oct. 24, 6 A.M.

INSTITUTE OFFERS AID IN R. R. CRISIS

The American Telephone Exchange Company has been hit by strikes, but many members of the society have been active in helping to get over the difficulty. Mr. J. S. Johnson, President, has been in charge of the drive.

The society offers assistance to any individual members who are in financial difficulties.
