The reports of the Combined Professional Societies now have 1500 members.

T. E. N. TO START NEW POLICY

Starting with its next issue the T. E. N. will inaugurate a new policy in the department of engineering. All engineering professionals will be invited to submit their papers to the T. E. N. The institute will be dedicated to the newly created department. It will be the responsibility of the T. E. N. to see that all papers submitted are of interest to the membership.

T. E. N. will be read by a few more candidates on the T. E. N. in practical engineering. Also, the T. E. N. will be responsible for the publicity department. Those who wish to try the different positions are asked to meet the members of the T. E. N. on the floor of Walker Memorial on Monday, October 25, at 1 o'clock.

TECH SHOW COMPETITION BEGINS

William Stearns '25, Publicity Manager of the Tech Show, announces that the competition in new techniques for the show will be held. The competition of the T. E. N. members will show a lot of promise. The competition will be open to all members of the T. E. N. who are interested.

JOINT MEETINGS 

The officers of the Cosmopolitan Club met with the Engineering Society and the Student Body. They plan to form a joint committee to take further action on the matter.

CAMPUS RECREATION

The Cambridge Alumni room of Walker Memorial Institute will hold an interesting and instructive program of talks on work and play at camp. It will be held in the Alumni room of Walker Memorial Institute on the evening of October 25 at 7:30 o'clock. The program is also planned to have a prominent speaker. T. A.
