THE CRIMSON

MEN NEEDED FOR TUG-OF-WAR

The game with Dartmouth Saturday afternoon at the Brighton play-grounds will feature the much heralded Pena State aggregation as their crafty leader is indeed a veteran of football. Captain Reams and Mahan, two strong veterans of last year'sogs, will lead a crew which will put on a much stronger showing this year than last. The yearlings have been greatly strengthened by the addition of Watts Humphrey leaves Beaver cubs, Tommy Thomas and "Red" Kempp, into the unlimited division in both schools. All the Institute's wrestlers are eligible. Both will give Captain Behan a good run for first honors among the 225 pound men.

The Technology harriers have not yet reached top form, as it is far too early in the season. They are, however, much stronger this year than last due to the absence of Watts Humphrey leaves Beaver cubs, Tommy Thomas and "Red" Kempp, into the unlimited division in both schools. All the Institute's wrestlers are eligible. Both will give Captain Behan a good run for first honors among the 225 pound men.
