NAVAL ARCHITECTS TAKE IN MEETING

D. F. Warner '22 was elected treasurer of the Naval Architecture Soci-
ety at their first meeting of the year last Tuesday. Plans were discussed 
smoke and other objects and by the
Naval Architect Society was first
laid on. The society will have a trip 
this Fall. Photos of the plans will be 
early in November. The membership drive is progres-
and one at a time for smoke 
RIFLEMAN PRACTICE ON RANGE

Small bore shooting on the range 
with the field rifle is going to 
accomplished by the U.S. Army at 
the west coast. The Department 
many students interested in the field. 
They will be given a course in 
Lyric Smoker will be held in the 
Center for the music and lyric 
REFERENCES

The first of this year's Tech Show Smokers is to be for the music and lyric 
smoker. The regular smoker for 
all men interested in the show will be 
held later. The Auxiliary and athletic 
smoker, all details necessary to the 
smoker. The names of the smokers will be
Laburnum will be announced.
The East Lounge of Walker Me-

Spherical photography of the event 
will be taken on Tuesday, November 
13, at 4 P.M. The smoker is open to all men who can write music or

PROJECTS OF T. C. A. WORK

The recent bombing tests carried 
out by the army planes against 
Dornier German friends, as also both 
from sea level and from the air, were 
shown. It is the plan of the society to run 
similar smokers in the future, possi-
ble go over into the so-called 'mad', of aeronautics by means of black 
board talks and the presentation of 
papers by members of the society.

These were explained by Captain 
Knight of the Military Science De-
partment here at the Institute.

The recent bombing tests carried 
out by the army planes against a fam-
ily German friends, as also both 
from sea level and from the air, were 
shown. It is the plan of the society to run 
similar smokers in the future, possi-
ble go over into the so-called 'mad', of aeronautics by means of black 
board talks and the presentation of 
papers by members of the society.

WELCOME '22, '23 and '24
and Greetings to 1925

It's going to be a great year, here at the 
STUFE, and we are planning to do our 
part over in Walker by giving you bet-
ter Service than ever—better food you 
ever ate and at the price of it.
