MANAGING BOARD

President: W. B. NILJ-, '23, A., General Manager.

Entered as second-class matter Sept. 16, 1911, at the Post Office at Boston, Mass.

Published at Cambridge, Mass., by the students of the Institute, to which it was dedicated, as a monthly periodical, for the benefit of every student, who is in any way concerned with the welfare of the students and the enrichment of the prestige and good name of the Institute.

Proceedures are converted into traditions with remarkable celerity, and infinite pains are consumed in making them much more susceptible to such transformation than to such revision. This may be for this reason that the impending events of Friday should cause some concern. Those who are conscious of their responsibilities as occupants of the underground body of Technology.

The student body has been evolved from the brains of the students of the Institute, but it must be admitted that the conduct of the participant, especially on the last two such occasions, has been characterized by an almost complete lack of public spirit. It is commonly said in the halls of building Charles River Road, Cambridge, Mass.; business room, 3, the four-hour wait in line, itary service when lie enlisted in Bat-
