SHAVING SWIMMING SQUAD PLACES FOR NEW MEN

Coach Wants More Candidates to Strengthen Squad

A call for more candidates is being issued by the swimming team due to the heavy number of swimmers who have appeared for last year's tryouts. Nearly 75 men signed up for the sport, but secularity of some have shown up and Manager Miller is throwing the door open in any case when the season comes out.

Past years have been held by move-out for the past two weeks, but nothing definitive has been decided as yet on any of the candidates. The coach promises the new men who come out a sufficient task to get them into good physical condition before time trials will be given them.

The freshman squad is in line for a cut in its number, but only for the purpose of weeding out the men who report without qualifying themselves as up to the physical training class, and who seems unsuitable to attempt teaching the proper racing stroke. Quite a few of the freshmen have had experience with the swimming stroke, and look like a good foundation for a swimming team. Miller promises to give them the best advice and coaching possible to make up the real squad in the expedition.

Practices are now held Monday, Tuesday, and Thursday, on the tank, Monday, as usual, and the coach coming down and making the men do their own work and to pay no attention to speed. Because of the warm weather, the team not having a meet until the final week of the season, no extra practices are being given. The men are expected to attend the practices the next of the next day.

Monday, March 20, will be the last day of practices for the freshman squad, and Coach Miller has spent a great deal of time in getting his novice promises to be ready for the season and to prepare them for all the heavy work ahead.

MIKE HOAR WILL RUN AGAIN IF OCCASION ARISES

Mike Hoar states that he is willing to run again if an opportunity is forthcoming to show his stuff. He says that he will race any time it is possible as his running is not for the show, but for the fun of it. Personal Coach Boyden has discouraged him from trying for the team.

HARVARD, BROWN AND DARTMOUTH AMONG OPPONENTS

Despite the loss of the Varsity basketball manager an excellent scholastic season may be expected in the coming year. Some of the (varsity colleges exhibit more promise in the present season than in the past, and may be considered for the title of the best upcoming in the country.

The Chinese Student's Committee is footing the bill for the coming season. The committee has been anxious to see Technology perform well and honor the Chinese nation, but to date have been unable to accomplish this object.

The plans for the team include practices on Tuesdays, Thursdays, and Saturdays. The team in shape for its contest with Harvard which comes Wednesday at the 40 mile mark. Flanders was four miles, with the rest of the team largely behind his pace. At the race of the meet, the team is out, the only exception being the, the American team taking the best care of their athletes and usefulness as he ripens with years.

KANALY AND DR. ROE, 01 ADDRESS HOCKEY CANDIDATES

Team Has Secured "Ed" Powers, Canadian Athlete, as Coach

"The Amateur in College Athletics, Especially Hockey," was the subject chosen for the speech made by Dr. Roger Roe '01 at a meeting yesterday. The address was introduced by the men interested in hockey and football, and the speeches were made by members of the Harvard hockey team. The meeting was held in connection with the University hockey organization.

The address will be read at the University hockey organization and the university hockey organization will meet on Wednesday, Nov. 23.

SOCCKET TEAM WINS GAME-PREPARING FOR HARVARD TILT

Saturday afternoon at Tech Field, the soccer team beat the Armenian team at football by a score of 3 to 0. The game was an interesting one, but the Armenian team played particularly well in the first half of the game. Although they were not able to get a goal in the first half, they managed to hold the game until the last minute of the game, when they finally scored their first goal.

In the second half of the game, the Armenian team continued to play well, but the American team was able to break their defense and score two more goals. The Armenian team finally gave up and the American team won the game with a score of 3 to 0.

NOVICES' BOXING TOURNEY SHOWS UP GOOD PROSPECTS

Mike Hoar, Timer, Says Freshmen Material is Promising

Action gauges finished the first round of the novice tournament at the Walker Memorial boxing room yesterday afternoon. In fact, Mike Horr, the timekeeper, said that the graduating students could not compare with the novice class that he promised more than that of their previous years. The novice class was composed of several fine athletes, and through the leading boxer was the first round between C. E. Bar-

Chinese Student's Committee has arranged for the present leader of the varsity unit, Mr. James H. Foster, to be the coach. Both teams were expected to show their best form against the Armenians, and the match was expected to be a close one.
