M. T. JEWELRY

Maneuver Has Unique Club

What promises to be the rarest and most unique organization of the kind in the world is in the making at Marquette University and is called the "Protestant's Club." Though little has been known of it until recently, it has been in existence since the first of the term. During the last few weeks its membership has increased over one hundred per cent and it is expected to assume even greater proportions.

The purpose of the club, as understood by its organizers, is to bring together in a social environment those who have not only the same religious beliefs but also an identical form of worship.

Requirements of that department. Negotiations have been made with the Department of Physical Education permitting first and second year men to substitute skiing for the regular requirements of that department. Negotiations are also on foot for the use of the Minneola Ski Club, which will be erected in the University Stadium and will provide a jump for first year men of at least thirty feet. A smaller jump will also be erected on skis for the first time and arrangement have been made with the Department of Physical Education permitting first and second year men to substitute skiing for the regular requirements of that department.

The continual wearing of clean clothing is frowned upon. Members having large amounts of money, that is, over a dollar, are expected to see some of the Eastern semi-public institutions, notably the Real Estate Association, which was held Many Important Posts

TAKUMA DAN "WILL SPEAK IN WALKER TODAY"

(Observed from Page 5)

In 1897, while he was travelling through Europe and America on Government commission, ownership of the Mike Collery was transferred from the Mitsui Family, whereon he entered the service of the Mitsui family. Upon his return from Europe and America he was appointed chairman of the board of directors of the Nippon Steel Works and the Shimbashi Engine Works, and he later served as chairman of the board of directors of the Isebara Iron Works.

Hand Made Important Posts

Dr. Dan holds numerous posts in public and semi-public institutions, notably the president of the Japan Medical Association, and the board of directors of the Hokkaido Chamber of Commerce. In 1902 he was appointed chairman of the board of directors of the Shimbashi Iron Works.

Since then his services have been requisitioned by various departments of the Mitui enterprise until he has now become general managing director of the Mitsui Gompei Kaisha, the holding company of the Mitsui interests. Following are some of his positions with which his name has been identified: director of the Mitsui Mining Company, chairman of the board of directors of the Hokkaido Mining Company, managing director of the Hokkaido Iron Works, managing director of the Shimbashi Iron Works, and managing director of the Shimbashi Engine Works.
