MUSICAL CLUBS ANNOUNCE PLANS FOR 2500 MILE TRIP
TO THE COMBINED MUSICAL CLUBS OF TECHNOLOGY

OUTLINE WINTER TOUR DURING XMAS HOLIDAY

Visit Rochester, Cleveland, Akron, Chicago, Rockford, and Schenectady

MEMBERS MEET IN ROCHESTER

The approach of the Christmas holidays brings the official announcement by the Combined Musical Clubs of 21921 of its annual tour of last year to Brooklyn, Montclair, and other cities along the Atlantic seashore. The tour features a series of concerts and other events along the Atlantic seashore. The tour is expected to last two weeks, with performances in New York, Philadelphia, and other major cities. The tour will then proceed to the Midwest, with performances in Chicago and other cities. The tour will finally conclude in Los Angeles, with performances in Hollywood and other major cities.

The tour will feature the combined musical talents of Rochester, Cleveland, Akron, Chicago, Rockford, and Schenectady. The tour will feature a variety of musical performances, including concerts, recitals, and other events. The tour will also feature the participation of a variety of musical groups, including the Rochester Symphony Orchestra, the Cleveland Orchestra, the Akron Civic Opera, the Chicago Symphony Orchestra, and the Rockford Symphony Orchestra. The tour will also feature the participation of a variety of musical artists, including world-renowned performers and musicians.

The tour will be a major event, with performances in a variety of venues. The performances will be held in concert halls, theaters, and other venues, with seating for a large audience. The performances will be conducted by a variety of musical directors, with the participation of a variety of musical groups and artists.
