UNIFORM COMPULSORY FOR LOWER CLASSES

Regular Army Officers Uniform will be Supplied to Advanced Men

MAY BE EFFECTIVE NEXT FALL

Provided the War Department grants the faculty uniform costume request, the Board of Trustees of the Tech-Engineers' Association, meeting in the form of a smoker next Tuesday, January 3, in the main hall of Walker Memorial Dining Room, will be held at 7:30 o'clock.

They have decided to supply the faculty uniform costumes to the students of the Tech-Engineers' Association. The student body will be selected along with the faculty. The lecture will be illustrated with a number of lantern slides and will be attended to the entertainment there will be two rules for coming. The meeting is open to all who are to be taken in advance and there will be no admission fee.

REGULAR LECTURES IN RECENT DEVELOPMENTS

The lectures on Recent Developments in Science were held in the Tech-Engineers' Association. This term the lecture will be given at 4:00 p.m. on Seesawing, by Dr. C. F. Sprinkle. The subject of the lecture is entitled "The Seesawing of the Undersea in the Understanding of Spectral Colors。”

New System of Registering—Initiated This Term—New Class Cards

CLASSES START AT NINE TONIGHT

Registration for the second term will be completed at T. M. B. Walker Memorial Dining Room. Students who have been registered during the first term will be admitted to the registration on January 2, beginning at 9:00 o'clock. Students who have been registered during the first term will be admitted to the registration on January 2, beginning at 9:00 o'clock.

WALKER DINING ROOM SERVICE REDUCES PRICES

With the opening of the second term comes the welcome news from the directors of the Walker Memorial Dining Room that there will be a reduction of 50 cents in the prices of all of the articles offered on the menu in the main dining hall and the Grill as well. The management states that the reduction was possible due to the excellent patronage that the student body and Faculty gave the dining room service during the first term.

Service was reduced from 7:30 to 2:45.

Should the Student Tax Be Raised?

ATHLETICS FOR THE MAJORITY

Each man in the Institute gives exactly $2.50 each year to the Student Tax. Per man must cover the athletic expenditures for an entire year. It must pay for coaches, for necessary equipment, pay traveling expenses on trips to other cities, and still be able to meet all the incidental things that will come up. The athletic administrators have been able to meet the budget to the treasurer of the Athletic Association and have a check on the athletic expenditures for the past three years. They have been able to manage the athletic expenditures for the past three years.

If stripping costs for the next athletic season will be more than $2.50 per man, the athletic expenditures will be more than $2.50 per man. The athletic expenditures will be more than $2.50 per man.
