BIG CROWD WATCHES BURDENTY DEFEAT R. U. (Continued from Page 1)

Blood went back to center. Captain Grover, captain of the Brown eleven, tried in vain to get the ball in the inside and his hard cuts in the backcourt and kept the Brown attack in full swing. Grover had already three balls into his basket but, however, he was stopped thirty seconds left to play when he was finally disqualified.

Freshmen Also Win

Before the contest the Brown and Technology freshman teams played an informal game that was marked chiefly by the movements of both teams to get advantage of the opponent's mistakes. The game ended 4, Storb 2, Cook, Wiley, Graves, and Pet- Blood for Coleman, Hubbard for Landis.

B. U. scored the first point of the game but Technology immediately came back in the contest and played well to take the lead 2-1. Technology scored another point and had a 3-1 lead. The Brown attack was stopped in its tracks and the game was back to 3-1. The B. U. ball handler, Mr. John Mez, had a strong showing in his first game and will be only one of the many players who have a bright future in this sport.

BIG CROWD WATCHES

The crowd that gathered at the gymnasium to witness the B. U. versus Technology contest was enthusiastic. The game was a battle of two able teams and the crowd was on the edge of their seats throughout the game. The B. U. team was led by Mr. John Mez, who had a strong showing in his first game and will be only one of the many players who have a bright future in this sport.
